Dear Friend, August 2026 Newsletter

I want to thank all of those across this country who are participating in our ongoing evangelistic efforts all over the world. The books, magazines, Bibles, DVD's, etc. that you are sending are enabling us to push the work far and near. It is awesome!! The letters at the end of this newsletter are always the result of our literature evangelism program. God bless each of you!!

Something amazing is happening right now amongst SDA's. The story is thus: Conrad Vine recently had meetings out in the Deer Park, Washington area. In one of his talks, he discussed several things; among which were:

1. Marxist ideology is permeating Adventism.
2. Until this is gotten rid of, Adventists should withhold supporting the denomination.
3. Instead, Adventists should support self-supporting workers where the 3 Angel's messages are being proclaimed!

This has caused a great firestorm. A number of people, like Ivor Myers, Scott Reitsma, and others have gotten into the fray, calling Vine a devil. They are now, in desperation, invoking a comment in a book from Roger Morneau. Morneau was in the occult, but joined Adventism and wrote several books. In one of his books, he is reported as saying, and I'm paraphrasing that:

1. The devil would use intelligent men in Adventism to sow division and discord among the people.
2. The devil would use these men to magnify the mistakes of the leadership and even say that all leaders in the church are corrupt.
3. The devil would seek to turn the denomination into splinter groups, independent of the church.
4. The devil would use them to encourage people to withhold tithe and to support self-supporting ministries. This would greatly affect the programs of mercy the denomination carries on.

All of these things that Morneau allegedly declared the devil would seek to accomplish among SDA's are all attributed to Conrad Vine and Vine is being pronounced a devil as the result!! Let us summarize:

1. Whoever calls sin by its right name, whoever stands for the right and protests the APOSTASY AMONGST IS considered a devil. Remember Ezekiel 9!!
2. Anyone who calls out the denomination's involvement with the UN, whoever opposes the denominations connections to the ecumenical movement; whoever denounces the pastorate who refuse to call sin by its right name is of the devil! The pastoral delegates at the recent GC session said nothing to call to account why the denomination did not support Adventists who were told by their employers they had to get a vaccination. Why did the leadership COMPLETELY support the UN and MEDICARE agenda and not its own people?
3. The devil loves self-supporting ministries and wants ADVENTISM SPLIT UP INTO SELF-SUPPORTING MINSITRIES!! Correction: It was not the devil who started self-supporting work! It was a woman named Ellen White who started self-supporting work because the denomination refused to do the work they were called to do!!

4. It was not the devil nor Conrad Vine that diverted tithe away from an apostate church who refused to do as the Lord commanded. Ellen White, in the Watson letter, made it very clear that she diverted tithe and ENCOURAGED others to do so to support those who were doing the Lord's work. In the Watson letter, she made it very clear that the money was going into the Lord's treasury.
5. How is it that Morneau's alleged communication with these demons actually describes, not what the devil wants, but what the Lord Jesus Christ in the only AUTHORITIES in Heaven and in EARTH: The Bible and Ellen White: declares to be His will!

So, according to Morneau's communication with demons, the devil wants:

1. people to sow division and disunity by protesting apostasy.
2. Calling out the leadership's unification with the UN and ecumenical movements.
3. Starting self-supporting work independent of the denomination
4. Diverting tithe to support the proclamation of the 3 Angel's messages.

This is what a number of people like Ivor Myer's, Scott Reitsma, and others are advocating. Let us now look at the flip side of this scenario. If this is what the devil is advocating, allegedly according to Morneau and the demon, then what is the Lord advocating? Obviously, they would be the exact opposites, would they not? So, the exact opposite of the above 4 would be what the Lord wants for His people. Here they are:

1. ***Calling for unity***, uniting those who want to proclaim the great truths of Adventism with those who want us in bed with the UN and Ecumenism. That will never happen and the Lord Jesus clearly doesn't want this!! Read Ezekiel 9 and 5Testimonies pgs. 210-220
2. ***Keeping quiet*** about the apostasy in the church. Letting God take care of it, no more of the pesky watchmen. Let the apostasy get worse and worse. This will never happen.
3. ***Squirting glue in the pew and listen to false doctrine every week***! Allowing the hellish torch of false prophecy to destroy Adventism and never saying a word!
4. By all means***, supporting those in apostasy with our means***. Paying the tithe only to the denomination.

This is amazing! God wants us, according to Morneau's spirit guide, to be in unity with apostasy, never protest it, stay with it till it destroys us, and support it with our funds. Morneau's GUIDE WANTS US TO BE Roman Catholic, unthinking, unprotestingly docile, obedient, supportive Roman Catholic Adventists! This script is flipped upside down, friend. What Morneau's guide, Myers , Reitsma, and others are telling us is the opposite of Inspiration and would place us all in the lake of fire. This is astonishing! I guess it is just as astonishing as something Jesus said, "These things have I spoken unto you, that ye should not be offended. They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service. And these things will they do unto you, because they have not known the Father, nor me." John 16:1-3

May the Lord Jesus anoint our eyes with eye salve as He has promised that we can stand through the insanity of earth's final hours!

Edward, "The guy Seven Spirits is very much alive. He has a team of fearless guys who go from door to door to distribute the DVDs and the tracts in Angola. He moved from Luena after an

independent group was established to an entered place of Southern part of Angola where he is currently is. He received evangelistic materials from the Luena group. (Note, am sending more DVDs to him next week.) Here is the story Seven Spirits sent me to share with you. Seven Spirits or Juah Kalutozhi with his team last month we're distributing tracts with some DVDs to a certain community. Before leaving that community, one family showed interest to learn more. This family was an Adventist family that has not attended church for a year. Seven Spirits was interested to know why this family which stopped attending the mainstream for several months got interest in the DVD sermons for the American. The family revealed to seven spirits that, they were kicked out of church after refusing to participate in wild celebration of the Pathfinders day when they invited many non-Adventists to come and participate. After the leadership learned the negative comments from this family about the celebrations, the entire family was disciplined by disfellowship. That is how this family opted to stay at home and prayed and read from the Bible every other Sabbath until the good Lord brought the DVDs with tracts to them. They believe what the American is saying to be the very truths God raised Adventists for. They are holding on to the teachings of the American and they are praising God for answering their prayers for the messages of the American will remain with them forever. Upon hearing this, Seven Spirits was pleased and suggested to hold a big gathering where he will beam the critical sermons of the American from Daniel and Revelation for 3 days only. PB, that Adventist family was so happy to hear that wonderful suggestion. They helped to organize this big meeting by borrowing a Samsung projector with a laptop to use. A government school was found and a large hall was rented for this great meeting. All was done what was to be prepared and the team went out to invite the members of the community to come and hear free word of prophecy which has never been sounded before. The people got aroused to come. About 100 adult residents came besides children. Sat and got ready for the show. All eyes were now on a large screen from the projector to see who is that person who will be speaking!! Seven spirits with the Adventist family chose Daniel 1 to 11 with Revelation 12 to 18 for 3 days to show the people. Seven spirits stood in front and asked the audience to bow for a prayer while he knelt down with his team. He welcomed everybody and introduced a guest who will reveal to them what is to come in earth. He urged everybody to take notes and asked a question after the sermon. The audience agreed and he turned on the first sermon. There was amazing silence in the hall when the people saw you PB begin to speak from the book of Daniel. The people listened with amazing silence as you were nailing and sinking down the amazing truths these people have never heard. Among those that came were many from different denominations and some Adventists from the church where the family was kicked out. After the first sermon was over, no one asked a question but wondered at the new amazing wonderful truths the American has revealed. Strange!! The audience asked Seven spirits to allow the American to go on for what he was saying is so good to seek for more. Those other Adventists that were invited were so happy to learn a lot. They too stayed on up to the 4th sermon before taking a break. The first meeting started at 6 pm way up to mid- night when the meeting ended. The people left that Hall with heavy hearts. They were hit. They were thinking about what they had just heard. Some repented that night, others were making decisions. The first attendants invited more people to come and hear for themselves. The second came and the hall was full to capacity. More Catholics came with some VIP people from the government listen to amazing discoveries from the American. The Lord is good. PB you stood up again and spoke to masses from Daniel 7. The message was so clear and many that came wondered and said this man (pointing to you) has brain medicine. For the papacy was laid open for all to see. You continued to break down deep in the following sermons from Revelation. All who came went out convinced that what they have heard was in revealed truths hidden by Satan. God was praised!! The meeting continued

to attract more people so much that on the third day when you were going to talk about the woman of Revelation 17, Satan planned evil but God prevailed. The people were packed inside like usual and you were breaking the Catholic and papacy into pieces when certain Catholic members working with the priest and some SDA members planned an attack on seven spirits and the people during the time people were watching the sermon. They wanted to implicate the faithful Adventist family with seven spirits team to get arrested and stopped. At the climax of this meeting, 40 thugs were given different weapons with a grenade to detonate on the crowd to kill and maim. The thugs smoked weed and were high on drugs as they walked with one according to the hall. It was 8 pm PB when Satan's power was thwarted by God. When the thugs approach the hall, they heard the message flying in the air but because they were possessed by demons, they kept coming closer and closer. When one thug who had a grenade took it out so that he can blow the crowd, God sent strange bees PB. These strange bees stung and attacked all the 40 so fiercely that the thugs cried and scampered in different directions. These bees did not stop stinging these thugs. They tried to hide, run but kept stinging until these thugs ran back to their senders. The bees continued stinging the senders meaning all who sent them. It was dark but the bees were doing a great work on these people. Firefighters were called in to help but bees kept stinging all who tried to stop the bees. Police officers were stung and when the bees worsened, someone suggested to call seven spirits to apologize. In the meantime, the show in the hall was live but the police car arrived outside and asked for seven spirits who stepped outside and learned of what had happened. Seven spirits told the police that it was an act of God and for God to stop the bees, bring the affected people here for a prayer. PB, this is strange. The police asked the thugs and all who were being stung by bees to run to the school. They obeyed and ran to the hall with bees stinging them until when they entered into the hall that bees disappeared. Fear came upon all. It was now 9:20 pm when seven spirits with his team prayed to God to stop the bees and praised His name. Thugs with their senders plus the police were all inside when you spoke about the woman of Revelation 17. Those thugs repented and turned to the Lord with many more God knows. At the end of that meeting, the people feared the God of the American. The people wanted more sermons of this strange preacher who caused the bees. That night many gave themselves to Christ and a branch was opened. Seven spirits with his team continued to show the people for the whole month. To this day about 70 members have joined the faithful Adventist family. Am told to ship more DVDs with a lot more literature to seven spirits to give the members and to the private members who feared to be known openly. This is what drives me to burn and burn and burn DVDs. God has continued to use your voice as the net in this part of the world. DVDs are awaking Africa, and shaping God's people for what is coming ahead. God bless you and bless the folks."
