

Dear friend,

June 2017

Whatever happened to the King James Version of the Bible? I was shocked and appalled to listen recently to 3ABN on a Sabbath and found to my utter dismay the usage of every other Bible translation than the King James Bible. There was the New International Version, the Revised Version, the New King James Version, and the Contemporary English Version! As the various speakers quoted from their Bible a familiar text of Scripture, it was very confusing and disheartening to try and follow along with the King James Bible.

We have forgotten from where all these modern versions have come! We have forgotten that the plethora of Bible translations in our midst does not lead to peace and understanding, but to confusion! Several historians have chronicled the origins of these various Bibles. "Anyone who is interested enough to read the vast volume of literature on this subject, will agree that down through the centuries there were only two streams of manuscripts. The first stream which carried the Received Text in Hebrew and Greek, began with the apostolic churches, and reappearing at intervals down the Christian Era among enlightened believers, was protected by the wisdom and scholarship of the pure church in her different phases; by such as the church at Pella in Palestine where Christians fled, when in 70 A. D. the Romans destroyed Jerusalem; by the Syrian Church of Antioch which produced eminent scholarship; by the Italic Church in northern Italy; and also at the same time by the Gallic Church in southern France and by the Celtic Church in Great Britain; by the pre-Waldensian, the Waldensian, and the churches of the Reformation. This first stream appears, with very little change, in the Protestant Bibles of many languages, and in English, in that Bible known as the King James Version, the one which has been in use for three hundred years in the English speaking world. These MSS. have in agreement with them, by far the vast majority of numbers. So vast is this majority that the enemies of the received Text admit that nineteen-twentieths and some ninety-nine one-hundredths of all Greek MSS. are of this class; while one hundred per cent of the Hebrew MSS. are for the Received Text." OUR AUTHORIZED BIBLE VINDICATED, BENJAMIN G. WILKINSON, PH.D., DEAN OF THEOLOGY, WASHINGTON MISSIONARY COLLEGE TAKOMA PARK, D.C. WASHINGTON D.C, JUNE, 1930

Wilkinson's grand book has laid out so simply the fact that the one pure stream through time, coming from the Received Text, has resulted in our King James Bible. Truly, the King

James Bible is the one Protestant Bible that still exists today and it is the one that Rome has wanted to destroy for a long time. "In 1825, some eleven years after the revival of the Jesuit Order, a secret meeting of leading Jesuits was held at their College of Chieri near Turin, in Northern Italy. At that gathering, plans were discussed for the advancement of Papal power, world-wide, for the destabilizing of governments who stood in the way and for the crushing of all opposition to Jesuit schemes and ambitions... "What we aim at, is the Empire of the World... "We must give them [the great men of earth] to understand that the cause of evil, the bad leaven, will remain as long as Protestantism shall exist, that Protestantism must therefore be utterly abolished... Heretics are the enemies that we are bound to exterminate... Then the Bible (the KJV) that serpent, which with head erect and eyes flashing threatens us with its venom while it trails along the ground, shall be changed into a rod as soon as we are able to seize it." — Hector Macpherson, *The Jesuits in History*, Ozark Book Publishers, 1997, appendix. According to Macpherson's work, the Jesuits have wanted to annihilate the KJV Bible for nearly 2 centuries and what are we doing, aiding them in this work?

The other stream of Bible translations originated with the Received Text, but then moved to faulty translations via the church fathers like Origen, Clement, and Jerome. Then came the Vulgate, the Douay translations and ALL modern translations of the Bible. Notice Wilkinson again, "When we come to Origen, we speak the name of him who did the most of all to create and give direction to the forces of apostasy down through the centuries. It was he who mightily influenced Jerome, the editor of the Latin Bible known as the Vulgate. Eusebius worshiped at the altar of Origen's teachings. He claims to have collected eight hundred of Origen's letters, to have used Origen's six-column Bible, the Hexapla, in his Biblical labors. Assisted by Pamphilus, he restored and preserved Origen's library. Origen's corrupted MSS. of the Scriptures were well arranged and balanced with subtlety. **The last one hundred years have seen much of the so-called scholarship of European and English Christianity dominated by the subtle and powerful influence of Origen.** Origen had so surrendered himself to the furor of turning all Bible events into allegories that he, himself, says, "The Scriptures are of little use to those who understand them as they are written." Ben Wilkinson, pg.12

When will we rise up and demand the restoration of the King James Bible to be heard in our pulpits? How long will we listen to our 'favorite, God fearing' preachers quote from corrupt versions of the Bible? How pathetic! But, Bill, those ministers are nice guys! And so was Caiaphas!!!! Wake up, friend, the inroads of papal corruption are being heard across the air waves of 3ABN! Time to write letters of protest!

The King James from the Received Text has been the Bible of the English speaking world for 300 years. It comes from the unpolluted manuscripts. The modern translations come from the corrupted manuscripts of Origen, Clement, and Jerome. So which one will you choose? What will it be? The pure juice from the King James or the intoxicating wine of modern translations? The choice is an easy one!!!

Before getting to the letters, I wanted to give you an update from our new you tube channel entitled 'Truth Triumphant'. As of the end of April, the total number of viewers has been 17,500. Letters from around the globe.....

From Edward in Zambia "I am delighted P.B. to share with you about a very strange call today from an Indian woman of Malawi. She was calling me at noon from Blantyre. She said she was Rajee Desai. It was at the time when the morning radio program had just ended. We are airing Behind the door series from Kavuu which is ending soon and will begin another series. The messages P.B which are compacted in this series startles a lot of listeners as they hear strange things they have never heard before concerning the Jesuits and the past secret deeds of the Catholics. It was at the time this series was on that that Indian woman was following the program and was shocked to hear how Banks, and secret deaths are planned by the high powered men in the ranks of Jesuits. She was so interested and told me that I should tell the American to speak again tomorrow about this subject. That Indian woman disclosed that she recently came from India to Malawi to help his brother in law in that country in the shop for few weeks since her sister had just delivered a babe. Yesterday during lunch, she wanted to hear to some African news from Malawi and when she was searching the channel, she happened to hear an American voice saying ... "that is who they are..." she wanted to hear more about who those people were. That is how she kept listening to that voice and got the whole program. She will be returning soon to India and she has requested me that if possible I should send her the whole entire series of the discussion of the American radio program so that she can take with her to India. I asked her whether she could give me her address in India and get the dvds right there, she disclosed that her husband would beat her and do her harm. I asked her why would he do that to her? Her told me that it was because of "Karma." I appreciated her comments. She further said that when she takes the dvds with her to India, she will be sharing that radio program on the dvd with her elder sister who is married to a Christian Indian man. She is free to be listening to all the dvds by the American at her sister's home. She confidently told me that she has never heard anything like what she heard from the American for those few minutes. I was glad to hear that and I will be sending her the Behind the Door Series tomorrow. She also said that she will be listening to the American radio programs while in Malawi." It will be exciting to hear how the message spreads from this Indian woman to others through the vast realms of India!!

By the way, we have been getting Edward ready to do some videotaping of various people in his testimonies and will then put them on a website. We were able to get him a video camera, tripod, mic, and other equipment for filming. He will be leaving soon to interview the man who knew the Catholic priest that had embraced the truth and then was killed for it! We will update you on this!

From Washington state "I have listened to you on you tube and have been delighted with your quiet, easy to understand style of presenting. Your content has hit me to the core of my being. I was raised up by a mother that warned me to avoid Christianity at all costs because it is evil. My mother thought that Roman Catholicism was true Christianity! How utterly amazed I have been to hear your presentations that make it so clear that Roman Catholicism is NOT true Christianity at all, but rather apostate religion! I will never be the same. These sermons have so blessed me that my daughter and I are currently reading the Bible together for the first time! I would love to receive any material from you that would help me in my continuing search for truth. Thank you."

From Malawi "Greetings again in Christ Jesus. I would like to inform you that we have planned to conduct a conference from 8 to 12 May 2017, at Chikopa village in Thyolo district, and after that, we will also conduct another conference at Mapwesera village from 7 to 11 August 2017. your videos, both English and Chichewa books and tracts shall be distributed after teaching through them, we are photocopying some Chichewa books and tracts to reach the needs of those who do not understand English. Your books are the light on our way to heaven, we like them a lot, they are God's inspired word of life. When we watch your videos and read your books and tracts, we feel like we are together. We always appreciate for your continuous support for gospel materials. These materials help us to understand well about spiritual life, and how we can understand the bible well, God's will and how we can serve Him. May the only good Lord and Savior Jesus Christ continue to keep and bless you for your wonderful work for Him."
