

Dear Friend,

June 2023 Newsletter

Follow the money and you can learn so much! How true this is when studying American history. When studying American history and the movement of money, one can see very clearly that the final goal would be to bring about a state of things whereby “And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.” Revelation 13:16,17 Since the papacy is the 1<sup>st</sup> beast power and she is manipulating the money in America, the 2<sup>nd</sup> beast power, to achieve her final goal, then a look at American history would clearly lay out Rome’s plan in this regard. Besides, Rome has always believed in the Golden Rule: the one who has the gold makes the rules!! Here we go....

The first attempt to establish a central or national bank was before the first shot was fired at Lexington and Concord. It was patterned after the bank of England and the ones who controlled the bank of England were the Rothschilds. They were/are the most powerful banking family on the globe. They are Jewish! However, they do not work for the reestablishment of their Jewish heritage. The Encyclopedia Judaica declares of them, “Aware that the Rothschilds are an important Jewish family, I looked them up in Encyclopedia Judaica and discovered that they bear the title 'Guardians of the Vatican Treasury.'... The appointment of Rothschild gave the black papacy absolute financial privacy and secrecy. Who would ever search a family of orthodox Jews for the key to the wealth of the Roman Catholic Church? -- F. Tupper Saussy, Rulers of Evil, Harper-Collins, pp. 160,161. The Rothschild financial empire is tied directly to the papacy!! And, in fact, to the Jesuit Order! These financial animals have been working together for centuries to gain control of EVERY nation on earth through a central bank in every country so that they could then use this financial power to force ‘all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.’ Revelation 13:16,17

The man used by the Rothschild/Jesuit consortium in America was Robert Morris. As the new nation of America began to spread its wings, it would need a sound financial base from which to operate. It needed a bank, all right, but the bank used America instead of America using the bank. Financial genius and opportunist, Robert Morris organized the first bank. He and his associates believed that the bank should be modeled after the Bank of England. While the first bank in North America was not as ruthless as the central banks of today, it performed many of the operations of a modern central bank. ‘Secret’ investors put up \$400,000 to start this bank. This attempt failed after two short years. Greed, manipulation, and pure selfishness doomed the first attempt at a national bank to failure. Who were the secret investors that put up most of the money to start the first national bank in America?? ““Under the surface, the Rothschilds long had a powerful influence in dictating American financial laws. The law records show that they were the power in the old Bank of the United States. -- Gustavus Myers History of the Great American Fortunes, Random House, p. 556 [emphasis added].

“Over the years since N.M. [Nathan Rothschild], the Manchester textile manufacturer, had bought cotton from the Southern states, Rothschilds had developed heavy American commitments Nathan... had made loans to various states of the Union, had been, for a time, the official European banker for US government and was a pledged supporter of the Bank of the United States. --Derek Wilson, Rothschild: The Wealth and Power of a Dynasty, Charles Scribner’s Sons, p. 178.

Before the first shot at Lexington, the greedy Rothschild/Jesuit consortium were manipulating their way into American finance. The Rothschilds knew that if they could gain control of a country’s finances, the nation was toast. The founder of the Rothschild’s, Mayer Amschel, once said, “GIVE me control of a nation’s money supply, and I care not who makes its laws.” Rothschild understood that money was the ultimate source of power in this world and if he could control a nation’s money flow, then he could eventually destroy all the laws of that nation! And, of course, Rothschild and the Jesuits believe in the golden rule; the one who has the gold makes the rules!

After Morris’ failure, another attempt would be made. This time it was done by Alexander Hamilton. He is the man on our \$10.00 bill. He had worked with Morris in the first try. Through the 1780’s, Hamilton had opposed a central bank after what he had personally seen with the first try. However, by the late 1780’s, Hamilton was back at it again; he started pushing for another central bank and in 1791, a new central bank was established. Hamilton’s ping pong ball behavior, going back and forth, has led some historians to feel someone had paid him big time money for his compliance. “Secretary of the Treasury, Alexander Hamilton, submitted a proposal to Congress in 1790 for a central bank. Interestingly enough, Hamilton had been an aide of Robert Morris in the initial experience of central banking in North America. Surprisingly, during the Constitutional convention of 1787, Hamilton had been a strong supporter of sound money.” That Hamilton completely shifted within three years and proposed a central bank, which could generate money as the Federal Reserve Bank does, shows that Hamilton’s loyalty was compromised by the Jesuits. “This is hard to reconcile, and one must suspect that, even the most well intentioned of men can become corrupted by the temptations of wealth and power. -- G. Edward Griffin, The Creature from Jekyll Island, American Opinion, p. 328.

1791 and a central bank with Alexander Hamilton spearheading the charge. This charter would last for 20 years, ending in 1811. When the charter for renewal of the central bank was squashed in 1811, the Rothschild/Jesuit coalition was furious. Someone would pay for this, and thus, the war of 1812 was fought. Most historians tell us this war ended in a draw with neither side winning, but in actuality, the Rothschild/Jesuit team won the war. In 1816, a central bank charter was signed into law by James Madison! As US history unfolds, it will become very obvious that anyone who opposes the Rothschild/ Jesuit central bank will have threats on their lives or be killed! It is as simple as that! Next up will be Andrew Jackson, Nicholas Biddle and Abraham Lincoln,

From Edward “A young man known as Jeff Banda comes from the Reformed Presbyterian church of Zambia. He is a young man who is in his early 30's and is a student at one of the Universities of Zambia. Jeff has been a keen follower of the radio programs and he has been one

of the good students who have shared tracts, DVDs and literature I have sent him for the past several years. Jeff was in good terms with the Chancellor but something strange happened to the Chancellor that he fell sick and died. He was replaced by the new chancellor who was a Catholic and his mission was to silence Jeff. One Friday evening, Jeff was in company with his faithful praying just after they had watched a DVD sermon on Ezekiel series. That Chancellor banged the door when Jeff and others were yet praying and ordered them to stop making noise. It was Jeff who was praying and before he came to the end of prayer is when that Catholic chancellor banged into the room. The loud bang and the voice of the chancellor caused the members to look up but Jeff did not stop praying. The chancellor spoke loudly to Jeff to stop hallucinating and stand up like other members but Jeff could not stop praying and this annoyed more the chancellor who slapped Jeff right on his face with force that made Jeff to fall down from his kneeling. Jeff continued to pray even when he was slapped. The chancellor went outside to call other lectures to witness what he was going to do with Jeff. When more lectures came in, Jeff ended his prayer and rose up. The chancellor, in great anger, asked Jeff why he is stubborn. In reply to the chancellor and before all lecturers, Jeff said, he is not stubborn, he was willing to show everyone who really is stubborn and evil. That chancellor with lectures agreed to know and Jeff asked the authorities present to gather in a staff room where he could explain to all. It was done P.B. in fact when many lectures learned of what was happening, more assembled with many students and Jeff pulled a DVD for Daniel 7 and played the sermon for all. That staff room had a large school TV with a player which made Jeff to slot in a single sermon on Daniel 7. It was a shock P.B. Everybody was quiet. That loud chancellor was quiet. The sermon went on and ended. Everybody was still quiet. Jeff got another DVD for Daniel 2 and played it. P.B. that loud chancellor rose up and said I need more info by this man pointing to the American. He called Jeff privately and asked him to forgive him for being rough and asked for more sermons by the American teacher. Jeff praised the Lord. He promised to do so. More lectures also asked Jeff for more info for they found out that the Papacy has messed up the gospel and people have followed blindly. P.B. as I am typing you this update, am praising the Lord for the extra funds you sent me as if you saw this coming. The DVDs I bought are going to these truth-seeking lectures at the University. Jesus has found these truth-seeking men who are truly willing to learn more. This is how the Lord is using your voice here P.B. This is how the sermons are revealing to the learned and to the ignorant. Am glad to let you know that this year by the grace of God, am going to roll out thousands of DVDs to many lands across Africa. Can you imagine how many families, individual souls, groups and churches will be saved from the hand of the papacy. Only God knows. May God bless you with His spirit to keep sending more messages. It is time, it was time and there may not be time to do what can be done. Have a blessed Sabbath.”

From Malawi “I thank you also for your messages you upload at YouTube channel. They are touching and inspiring plus eye opening to us Adventists. One couple message you preached on last week sabbath 8 march, entitled JESUS LIFE part 33 the unpardonable sin-Mark Finley’s a powerful message. I was viewing it on pc via your YouTube channel

when I purchased a little internet bundle. The comments of brother Kody and Paul are also touching and inspiring. Kody said that saying this and doing another thing is not good, as he referred to Mark Finley who removed image of the beast in his sabbath school quarterly 2nd quarter 2023. Mark Finley plus Ted are embracing ecumenism. So, they are afraid of mentioning apostate Protestantism for fear. So, pastor continue presenting these warning messages. Here in Malawi I do include you in prayers. The DVDs for these presentations you include in the evangelistic materials as you have been doing when sending books plus tracts, such that others also might be warned here in Malawi on the subtle of Mark Finley in the quarterly.”

From Zambia “Today, I have received 10 boxes from you through Edward. He told me a few days ago that he will be sending me several boxes that you sent me. I am happy praising the Lord to have received 10 good boxes that are carefully packed with DVDs, tracts, and amazing SOP Books. To God be the glory. Those precious books are converting non-SDA's. So far, I have 2 young men who are studying and watching DVD sermons with us. They got converted after listening to Daniel lessons about the Papacy. They had no doubt to believe that they were deceived in believing that Sabbath was Sunday. They will be soon be baptized. I am freely running free DVD lesson in the evenings at a nearby school. I want to evangelize the 3 angels’ messages to my neighborhood and later get into other places. That is why am happy with the literature that has come at a right time. A lot of old people are so interested in prophecy. I am surprised to see more than 8 elderly men and women assembling to our evening DVD shows wanting to know what Daniel saw and the meaning of beasts. The DVD lessons are so revealing, so teachable and full of truth. I am learning things I never knew before, it’s like being in true school of Christ. Thank you for the lessons from the DVDs. Edward told me that he has bought a new duplicator which is faster than he had and has promised to be sending me all your latest sermons. Please Pastor Hughes we are behind you learning. Am very thankful to God for doing a wonderful work here through you Pastor Hughes. Continue to support us. Soon Our Lord shall come and shall reward your faithfulness. Pr. Charles Mambwe.”
