

Dear Friend,

June 2016

Over the last 30 plus years, no other teaching has received such assaults than the sanctuary. Desmond Ford slammed it at Pacific Union College in the late 70's and it has been attacked repeatedly ever since. Most Adventists do not have a clue about this most precious belief that reveals a "great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession. For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. Let us therefore come boldly unto the throne of grace that we may obtain mercy, and find grace to help in time of need." Hebrews 4:14-16

Most Adventists have no idea how to explain the 2,300 years of Daniel 8:14 because it is Adventism's best kept secret. In Ford's famous Forum talk October 27, 1979, he attacked 1844's validity, claiming that Adventist's could only prove this date by Ellen White and that the day for a year principle was total hogwash. Well, let us analyze these attacks from this brilliant, apostate plant that sought to destroy SDA Adventism. Daniel 8 laid out the rise of Media-Persia, Greece, and Pagan/Papal Rome very clearly. If this isn't clear, let me know and I'll send you the series on Daniel 7-9. When it comes to the 2300 years of Daniel 8:14, no explanation was given. In fact, Daniel 8:26, 27 ends with these words, "And the vision of the evening and the morning (the part that had to do with the 2,300 days) which was told is true: wherefore shut thou up the vision; for it shall be for many days. And I Daniel fainted, and was sick certain days; afterward I rose up, and did the king's business; and I was astonished at the vision, but none understood it." The only part Daniel didn't understand was the 2300 years. Gabriel was told "make this man to understand the vision." Verse 16

Surprise, surprise, guess who returns in Chapter 9 in answer to Daniel's prayer? "Yea, whiles I was speaking in prayer, **even the man Gabriel**, whom I had seen in the vision at the beginning, being caused to fly swiftly, touched me about the time of the evening oblation. And he informed me, and talked with me, and said, O Daniel, **I am now come forth to give thee skill and understanding.** At the beginning of thy supplications the commandment came forth, and I am come to shew thee; for thou art greatly beloved: **therefore understand the matter, and consider the vision.**" Daniel 9:22, 23 Gabriel returns and says that he has come to explain the 2300 years! He begins his explanation with another time period of 490 years and says it is cutoff for the Jews. The 490 years were cut off from 2300 years. No date for the beginning of these

time periods is known until verse 25. “Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times.”

There were 3 decrees to restore and build Jerusalem. Cyrus (Ezra 1:1-4) originated it in 536 BC; Darius (Ezra 6:1-12) reaffirmed it in 520 BC, and Artaxerxes (Ezra 7:12-26) completed it in 457 BC. Notice Ezra 6:14 “...And they builded, and finished it, according to the commandment of the God of Israel, and according to the commandment of Cyrus, and Darius, and Artaxerxes king of Persia.” The date to begin the 490 and the 2300 year time periods is 457 BC. Taking 457 BC as the starting point, the 490 year period ends in 34 AD and the 2300 year prophecy ends in 1844!

According to Daniel 9:25, the first 483 years of the 490 extend to the anointing of Christ at His baptism in 27AD. Amazingly, after Christ’s baptism, the Bible says, “Now after that John was put in prison, Jesus came into Galilee, preaching the gospel of the kingdom of God, And saying, The time is fulfilled, and the kingdom of God is at hand: repent ye, and believe the gospel.” Mark 1:14, 15 The time is fulfilled? To what time is Christ referring? Clearly, Jesus is saying that there is a time prophecy in the Old Testament that points to His baptism. The only time prophecy that points to this is Daniel 9:25! By Christ’s declaration that the time period pointing to His baptism is fulfilled, He is affirming several things. Christ is declaring that the decree of Artaxerxes in 457 BC is verily the correct decree for starting the time periods of 490 and 2300 years! Christ is affirming the validity of the day for a year principle. If we took the 483 years or 69 weeks and said they were literal time, then the prophecy would be utterly absurd! Finally, as Christ confirms the 457 BC to begin the time periods, then the ending date of the 2300 years becomes so easy to discern, ending in 1844!!

Desmond Ford’s brilliant mind looks so utterly foolish in the light of the clear Biblical and historical record. Tragically, so many Adventists have train wrecked on this most beautiful, Biblical teaching! As Donald Grey Barnhouse tried to destroy Adventism in the 1950’s by saying that 1844 and the Investigative judgment was the greatest face saving device in religious history, the Bible record stands confirmed, vindicated, and utterly accurate. Praise the Lord for this most dynamic belief that pinpoints Christ in the Most Holy Place today and invites us to go to Him to find mercy and grace to help in time of need!

Letters from around the world.....

From Edward in Zambia “There is a couple which lives in Ramela. I understand that this couple are SDA and from the time the husband and the wife have been listening to the programs on Kavu, especially the Revelation series, their spirits were aroused to do something for their Lord. This couple is today sharing the truth with more than 50 people and they are watching the Revelation series with many other non- SDA Rwandans living in Ramela. Last

week, a rumor went round their community that there was a couple which was teaching and circulating hate materials which may arouse hatred between the Hutus and the Tutsis again. So the law enforcement agencies went to the house of this couple to find out whether those allegations which were leveled against them were true. The officers found out that they were learning something they were ignorant about and instead of doing their intended work for which they were sent, they began to listen and the time they were given to report back to the station expired and so other officers were sent to check on them, hoping that nothing had happened to them, but surprising enough, they found them seated and were listening to the American and they immediately asked them to explain the meaning of what they were doing and get back to the station immediately. It was during the time when you were explaining about the Revelation 17 and those officers wanted to know more about the woman and all those great lessons you have brought out. Those officers reached at their main station and they were asked by the senior officer why they had to disobey what they were asked to do. They did explain that they did not find anything suspicious and what caught their attention was what the American was saying. The officer demanded the officers to explain what the American was saying, but the officers answered that they couldn't. At that point the senior officer asked those officers to go and bring the American immediately to the station. Those officers wondered how that was going to be possible but since it was a command they had to leave and bring the American to the station. Pastor Bill, there was drama at the police station that morning. Those officers went back to the house of that SDA couple and explained how things had turned out when they were taken back to the station and the officers asked that couple to lend them the DVD where the American had taught about Revelation 17 and their DVD player and the TV. That couple did not refuse rather, they had to give the officers what they asked and prayed for them before they left. The officers quickly packed those things in their vehicle and left to the station. The officers reached at the main station and took the TV, DVD player and the sermon into the office of the senior officer to show him the American. The senior officer was so upset to see his junior officers bring in electronic gadgets into his office other than a real person. So the senior officer ordered the junior officers to take those gadgets at the reception for all to see. All those officers reached at the main reception and the junior officers pleaded with their seniors to show them what they meant. They were given sometime to do what they had to show them and after all the necessary connections were made, they finally saw the American and those junior officers had to play chapter 17 and to the shock and surprise to all the officers who had assembled in the reception room with all those people who brought complaints watched together the American explaining who the woman is and the beast. Pastor Bill, God is amazing and there was silence for some time in that room. Pastor Bill, the facts you have brought out from that sermon was very captivating to the attention of all those officers and what surprised the senior officer was how God had used you in explaining a clear cut truth and facts about Revelation 17. After some few minutes of listening, the senior officer who was

a Catholic was surprised to hear what no one has ever told him in Ramela and he immediately asked the juniors to take the DVD and the TV to his office so that he can investigate further but that was not true because he wanted to listen further alone and that is what happened. The American was finally in the office of the senior officer and that officer began to listen to the whole 17th chapter from the beginning to the end. He then took that DVD to his house and what was surprising is that the officer was convinced beyond doubt and since he was thirsty and wanted more DVD's about the whole book. Then that senior officer called those juniors and asked them how he could have all that series of the American, the junior officers went to that couple again and explained everything what had transpired and that couple was so happy to surrender their Revelation series to that Ramela officer. The whole series and the American was finally in the office and the house of that senior officer. That senior officer has since loved the teachings of the American and his home is learning the whole book of Revelation. I am happy pastor Bill to inform you that that senior officer has requested 10 sets of the Revelation to give to his friends. That SDA couple also is requesting me to send them that Revelation series which they have been using to show other in their house. I praised the Lord for how He has continued to use you and your voice. I have a project to do several series to send again to Ramela.....**There is a pastor in the SDA mainstream who has been listening to all the Kafubu radio programs and he called me 2 days ago so that he can get the whole series and is willing to begin teaching the book of Revelation in one of the SDA church he ministers. He did not tell me his name for fear that I may reveal his name to the SDA members. He revealed to me that what pastor Bill teaches on the radio is what we should have been doing but the senior pastors in charge have been told to teach strange doctrines which have never been in Adventism since the inception of the church.** He has since appreciated what he has learned from the radio programs for more than 2 years. I will send him the DVD's next week." Amazing stories from Africa! The Lord is moving. The Adventist minister confesses that he and others are being told to preach falsehood!
