

Dear friends,

November 2024

With ten times the power of a tidal wave, the Holy Spirit is going to pelt this world with the truth of the 3 Angel's messages. At the heart of these messages will be the awesome truth of Jesus and His righteousness. All the mechanism's of Revelation 17 and 18; the papal system in control with her subservient minions- the political leaders of earth, the churches of the earth, and the wealthy businessmen of the world- will see their desperate attempt to oust God from His throne come to naught because "These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful." Revelation 17:14 Praise the Lord!

And where will the professed people of God be at this time? Those that are casting away the great truths of the 3 Angel's messages; those that are seeking to bring Adventism, Romanism, and Apostate Protestantism together, will then be without hope! "Today, as in the days of Elijah, the line of demarcation between God's commandment-keeping people and the worshipers of false gods is clearly drawn. "How long halt ye between two opinions? Elijah cried; "if the Lord be God, follow Him: but if Baal, then follow him." 1 Kings 18:21. And the message for today is: "Babylon the great is fallen, is fallen.... Come out of her, My people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities." Revelation 18:2, 4, 5. The time is not far distant when the test will come to every soul. The observance of the false sabbath will be urged upon us. The contest will be between the commandments of God and the commandments of men. *Those who have yielded step by step to worldly demands and conformed to worldly customs will then yield to the powers that be, rather than subject themselves to derision, insult, threatened imprisonment, and death. At that time the gold will be separated from the dross. True godliness will be clearly distinguished from the appearance and tinsel of it. Many a star that we have admired for its brilliance will then go out in darkness.* Those who have assumed the ornaments of the sanctuary, but are not clothed with Christ's righteousness, will then appear in the shame of their own nakedness." PK, pg. 187,188

We see this happening in a marked manner through the work of Guanoune Diop and those who refuse to call him out in his bold apostasy. In a recent panel discussion in Nairobi, Kenya Diop declared that the papacy has changed since 1965. Since Pope Paul wrote a document on religious liberty, Diop declared that the papacy has changed and that anyone who still thinks Rome is like she was in the Dark Ages is a *slanderer*. This is such nonsense! Listen to the SOP, "The Roman Church now presents a fair front to the world, covering with apologies her record of horrible cruelties. She has clothed herself in Christlike garments; *but she is unchanged*. Every principle of the papacy that existed in past ages exists today. The doctrines devised in the darkest ages are still held. Let none deceive themselves. The papacy that Protestants are now so ready to honor is the same that ruled the world in the days of the Reformation, when men of God stood up, at the peril of their lives, to expose her iniquity. She possesses the same pride and arrogant assumption that lorded it over kings and princes, and claimed the prerogatives of God. Her spirit is no less cruel and despotic now than when she crushed out human liberty and slew the saints of the Most High. The papacy is just what prophecy declared that she would be, the apostasy of the latter times. 2 Thessalonians 2:3, 4. It is a part of her policy to assume the character which will best accomplish her purpose; but beneath the variable appearance of the

chameleon she conceals the invariable venom of the serpent. "Faith ought not to be kept with heretics, nor persons suspected of heresy" (Lenfant, volume 1, page 516), she declares. Shall this power, whose record for a thousand years is written in the blood of the saints, be now acknowledged as a part of the church of Christ? It is not without reason that the claim has been put forth in Protestant countries that Catholicism differs less widely from Protestantism than in former times. There has been a change; but the change is not in the papacy. Catholicism indeed resembles much of the Protestantism that now exists, because Protestantism has so greatly degenerated since the days of the Reformers." GC, pg. 571

The history of the last 60 years shows that Rome has not changed. From the Argentinian Dirty War from 1976-1983 to John Paul II's 'Dies Domini' in 1998 to Covid-19; we have seen Rome's repeated efforts to destroy freedom in the earth! ROME IS UNCHANGED!! Think of the amazing list of entities that Diop is calling a slanderer. Ellen White and the Great Controversy; the Holy Spirit who inspired her; the books of Daniel and Revelation, and anyone today who believes Rome to be the Great Whore Babylon of Revelation 17!! Mr. Diop, you have much for which to answer!!

From Edward "Kelvin Kalunga got converted into the faith of Adventists in 2019 after listening to power pack series that were being aired from Kavuu radio station. Kelvin who was a Catholic a believer was hit by amazing truths from Daniel and Revelation. He was so overwhelmed to learn how his church had undermined and changed the word of God. Kelvin. It was his very first time that he learned the correct meaning of the beasts. He was so fascinated with your teaching P.B. Kelvin began to see the light of truth and he hated the Catholic priest for concealing the truth he was learning for free from Kavuu. After 7 months of listening and taking notes for each sermon, Kelvin decided to confront his parish priest and say bye to him. He walked to his home and found his priest drinking Champagne. He was welcome but he did not sit down. He rather remained standing while he spoke to the priest. The priest asked him how he could help him. Kelvin asked the priest to explain who the fourth beast of Daniel 7 was. The priest looked at Kelvin and asked him who had sent him with that kind of a question. Kelvin answered the priest that the Kingdom of the Highest has sent him. The priest stood up and left the champagne for a while for he sensed that Kelvin had more to his question. So, the priest standing asked Kelvin again who is that most High? Kelvin never answered the priest's question, he rather told the priest that he came to say bye to lies, bye to false shepherds like him and bye to a false deceptive church. While Kelvin was yet talking, the priest yelled at him and called him names but Kelvin waited for him to end his insults before he can show him something important. With all the insults from the priest, Kelvin kept smiling and that angered the priest more. Then the priest asked Kelvin what he want to say. Yes, Kelvin told the priest that when he is sober let him remember that;

1. He was working for man and not for God.
2. The papacy with Satan's authority is superior far above than him.
3. The papacy has managed to deceive the entire world by changing Gods law and the true teaching of the Bible.
4. God appeared to him through the American who has helped him to find the truth of God which he wanted to warn him.
5. God cannot be mocked and since the papacy has done that, every true Catholic should move out from this evil church.

Kelvin ended his 5 points by telling the priest to tune in to Kavu and hear it for himself and began to walk away from the priest. No one has ever dared that priest and that evening the priest found Kavu and began to follow what the American was teaching. Kelvin told me P.B that, that priest by the end of 2020 believed Kelvin and confessed before he died of Kidney failure. Kelvin began to have studies with his community members. I sent him materials to use then and all was fine. Soon a good size small gathering got baptized by Pastor Albert and today that group is still there. I sent a lot of DVDs to Kelvin through Pastor Albert and Kelvin's group began to grow spiritually so fast and the reformation continued under God's grace. Last year, Kelvin was evangelizing in a certain place in Congo where he was poisoned by a man who learned from the priest about the last confrontation Kelvin had with the priest. Kelvin was taken to the hospital and recovered but his kidney was damaged. When we planned to have a seminar, Kelvin wanted to attend it despite his health condition he had. He came without most of us learning of his health condition until he fall seriously sick and died during the seminar. That is the brother we buried during our seminar. May God bless you P.B for your quick help that helped us to fund the funeral. We are so thankful and I am delighted once again to share with you a story from Rwanda by my contact Charles who distributes the materials for East Africa."

From Edward again "A man living in the suburbs of Kigali had just been converted to Adventist faith from being a Methodist believer. This was last year when this man in the power of God met Charles in the middle of the city with DVDs and books. He got interested in the books first. He read the GC book in 14 days. He got interested in knowing more truths of the end and that is how he was given many of all your sermons that changed his faith and sealed him for eternity. This man began a good work from his home where he would invite his friends from Methodist church to listen to other series you have produced P.B. It was wonderful and good such that a small gathering was formed. It happened early this year that 3 robbers who were armed with rifles were in the area where this man lives. The robbers had planned to rob the neighbor of this man and later rob this good man as well but as they approached the house of this good man, the robbers heard a voice of someone talking. It was when Jesuit Agenda series was being played on and most members were still listening. These robbers banged at the door and entered with their weapons pointing forward but all of a sudden, they saw calm people about 26 who had assembled and were all quiet listening to the sermon. The robbers looked at the people and turned their eyes to the screen. P.B. when I tell you that God did something to your messages, this is one of the many evidences. The robbers saw you talking about Banks and how the Jesuits have robbed the world system with the papacy. The sermon was so powerful that the attention of the robbers went to what you were talking about. In that moment, the terrified group was looking at them and everybody was quiet. The robbers with their rifles were now looking at the screen as if some power held their minds still. The owner of the house - the good man stood up and asked the 3 young robbers how he can help them. The robbers looked at the good man and their leader said it's a mistake. The good man said it's not a mistake for God want you to rob Satan with these people we are watching here. The robbers asked the good man to have a private word outside. Fearlessly, the good man with robbers went outside while the message was hitting them. The leader of the robbers confessed that they were sorry and wrong to have entered his house in that way. The robber revealed their mission and intention until they heard a voice talking from his house which they wanted to silence but instead its them who were silenced. They asked who the American was and whether what he was saying is true. The good man told the robbers that what the American was revealing was a tip of what he has spoken in his other sermons

and he would appreciate to have them and pray for them so that God will use them and bless them. The robbers pleaded with the good man and his group not to expose them but they will be coming to listen and they left the good man. On their way back, the car which they were using got in accident but they all survived and ran away safely to their hide out. They wondered how they were saved and for the first time, they thanked God to have spared their lives. Their leader told the other 2 that he has resigned from being a robber and he wanted to see the good man and share with him his story. He encouraged others to follow him. This was the turning point of the 3 young men who have been dangerous robbers but who were netted down by the word and by the net. The young men stayed with the good man for 3 months until they were baptized. They have vowed to redeem their lost time by working for God as voluntary literature and DVD distributors. They are today very effective in doing the tract and DVD distribution. They have continued to learn from the sermons and to make this matter good, they watch all your sermons from the YouTube.”

From Kenya “PB greetings to you all out there in the heart of directing the closing work of the gospel. God has placed you to supply his systems that the work might grow and enlarge. Suddenly here we are reaching thousands where sometime back just a handful. With the preaching instruments all can hear the plain truth and also get books that add more knowledge and light. I must say all who are within hearing range get the warning messages right in the comfort of their homes. The PA has boosted the Evangelistic work hundred-fold. Been going around revisiting those areas I have distributed the books and tracts and all have good testimonials. Farmers, traders, sand harvesters all have said they have read lots of truth church leadership hid from them. Catholics can't believe that their church has been misled on eternal teachings. GC truly is the book for them to read and the Bible. PB come next month and the work will accelerate. More meetings starting next week for am invited to a remote area bordering Uganda. We are meeting Sunday churches for a week-long meeting. I will take books to give them and leave the area leavening with present truth. Good I received books today. Thanks again for your support which fuel the work. Keep praying for us and may your efforts be ever blessed to bring souls to God Kingdom. Soon I feel we shall be curtailed, let’s work while it's day.” (we were able to help him with some sound equipment. The work seems to be magnified!!)
