

Dear friend,

November 2019 Newsletter

Last month, I looked at a recent question and answer situation where a gentleman took me to task for calling scholars and theologians in Adventism very colorful names like ‘crazy, insane, unbelievable, buffoons, etc.’ He felt that was very UnChristlike and definitely not the Spirit of Christ. Well, last month, we looked at Matthew 23 and Matthew 3 and realized that there are definitely times when calling people out for their obvious apostasy/heresy is appropriate and Christ like!! Do not forget this potent statement “, “In this fearful time, just before Christ is to come the second time, **God's faithful preachers will have to bear a still more pointed testimony than was borne by John the Baptist. A responsible, important work is before them; and those who speak smooth things, God will not acknowledge as His shepherds. A fearful woe is upon them.**” Testimonies, vol. 1, pg. 321

After answering the man’s first question, he then asked incredulously, “So, if you were talking to Doug Bachelor or Ted Wilson, you would call them educated idiots or ignoramuses to their face?” My response was thus, “When Jesus had one on one conversations with people, He did not call them colorful words, like hypocrites or blasphemers, or children of hell. He reserved those words for public meetings when audiences needed to be undeceived by these theological pretenders. When Jesus spoke to Nicodemus, He did not call him a name, but He spoke straight forward truth that the Pharisee needed to hear. “The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him. Jesus answered and said unto him, Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God. Nicodemus saith unto him, how can a man be born when he is old? Can he enter the second time into his mother's womb, and be born? Jesus answered, Verily, verily, I say unto thee, except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. Marvel not that I said unto thee, ye must be born again.” John 3:2-7 Nicodemus’ attempts at a discussion were soundly defeated and he was confronted by his problem.

Likewise, if I were in private conversation with Doug Bachelor, I would say, “Doug, why are you using a New King James Bible that carries the satanic, New Age, 666, Aquarius sign on the cover and not the Protestant, and precious King James VERSION? “Why do you continue to bring confusion over the seal of God by telling people that the Holy Spirit is the Seal of God and then bringing in discussion about the Sabbath? You full well know that the Holy Spirit is the sealer, the One who establishes people in the truth by leading people and empowering people to maintain and uphold the truth. The Sabbath is the Seal of God.” Why are you bringing in confusion? When it comes to the passing of Billy Graham, Doug, I know you wanted to explain to people that Graham sleeps in the grave and did not go directly to the presence of God, but why did you say that Graham will one day be in heaven? You know as well as any that Billy Graham was a bosom pal of John Paul II that they both declared they were brothers in Christ, and that when Billy Graham received a doctorate from Belmont College (A Catholic School), North Carolina in 1968, Graham declared that the same gospel that built

Belmont is the SAME gospel that Graham preached. Doug, you also know that Billy Graham was the ecumenical juggernaut of the 20th century! Do we not still go by the Biblical principle, 'Wherefore, by their fruits ye shall know them.' Matthew 7:15 Why, Doug, would you dare to say that Billy Graham will be in heaven one day? Will the seat of Antichrist be in heaven too? Is Rome's gospel and Graham's gospel accepted of heaven? Wow!!!

I would definitely ask Doug Bachelor in a private conversation these pointed questions. In public, however, I would continue to declare these things for what they are; misleading, wrong, crazy, and devilish!

If I were in private conversation with Ted Wilson, I would ask him some very pointed questions as well. "Since Spiritual Formation is a derivative of the Spiritual Exercises of Ignatius Loyola, why would you lend your support to that committee in 2001 and have spiritual formation taught to all leaders in Adventism? "Malachi Martin says that after going through the rigors of the Spiritual Exercises, 'Each man emerged from that week's long regimen as a spiritual fighter completely won over to warfare... *an entirely obedient servant of the pope.*' "Quote from Omega II by Lewis Walton, pgs. 150,151 Why, Ted Wilson, would you, an Adventist leader, knowing full well the 3rd angel's message, would you support anything that would lead Adventist leaders to reverence the antichrist? Do you feel like your father that the 3rd Angel's message is in the garbage bin? Neal Wilson, under oath said, "Although it is true that there was a period in the life of the Seventh-day Adventist Church when the denomination took a distinctly anti-Roman Catholic viewpoint...*that attitude on the church's part was nothing more than a manifestation of widespread anti-papery among conservative Protestant denominations in the early part of this century and the latter part of the last, and which has now been consigned to the historical trash heap so far as the Seventh-day Adventist Church is concerned.*"

Ted Wilson, why did you get a doctorate degree from New York University in religious education? NYU relies very heavily on Fordham University, one of the 3 top Jesuit universities in America, to aid them with their religious education doctoral candidates? Does your education through NYU and Fordham lead you to promote spiritual formation and lead Adventist leaders to be entirely obedient to the pope?

Since you have now been GC president for the last 9 years, why do you continue to give lip service to the three angel's messages and yet, never proclaim the 2nd and 3rd messages? You know, the ones that call the Apostate Protestant churches Babylon in Rev. 14:8 and the 3rd one that warns against honoring the papacy and her Sunday worship? Does this have anything to do with your education under the Jesuits thru NYU and Fordham?

Why, Ted Wilson, when you were given a perfect opportunity at the ASI round table in Michigan, August 9, 2014 to declare your faith in the prophetic truth of Seventh day Adventism, and to declare the truth as to what comprises the mark of the beast, you said, "The mark of the beast is ANY day of the week, other than the Seventh day Sabbath." Really??? The mark of the beast is Sunday, or Monday, or Tuesday, or Wednesday, or Thursday, or Friday? If that is so,

then who is the beast? Could it be Islam, or Communism, or ISIS, or the Bilderbergers? Hey, if one domino falls, why can't others fall too?

In private conversations with people, I would definitely ask some very challenging questions. I would not call them names, but would surely let them know that their public statements need to be corrected if serious Adventist would take them seriously! In public, surely, I will, by God's grace, continue to expose, with colorful language the foolishness and apostasy that runs rampant among leadership in Seventh day Adventism! Just as Jesus did!!

From Edward "This sister is a dedicated sister who stood her ground amidst the threats from the SDA church for her new faith. Mary has been a faithful member for Kongola SDA church for several years until she found the truth through the materials she received from Kennedy and through the messages she appreciated from the DVDs. She was zealous to share her new truths with other members until her local pastor with elders decided to send her away from the church. When that time happened, Mary appeared before the council of elders with their pastor present and some female members. During the deliberations of that meeting, Mary was revealing to that panel of interviewers about interesting truths she learned, but that local pastor cut her talk short by telling Mary that she was disfellowshipped and that the church (and the pastor) were going to pray for her to die. Mary replied to that pastor that she was also going to ask the will of God if she was going to die for the truth or not. That night, that pastor could not sleep. He had a terrible dream that he did not disclose to anyone. It was a terrible warning to him concerning the decision he was taking. Surprising enough, in the morning, that pastor asked Mary to continue with her new found faith and informed the church members to leave Mary alone. This surprised the leaders of that church as to what had caused their pastor to change overnight. When that was over, Mary and her family started to keep the Sabbath from her home without any disturbances. But the devil was yet to bring another temptation. This time around it was fire which broke out from nowhere. This fire burnt her house at a time when there was no one. Mary gave thanks to God and fasted for 3 days for God to help her and reveal to her what she can do and where to find means to sustain the family. (She has a weak husband who is not strong in faith.) The Lord answered her prayers. Someone from Windhoek (the capital city of Namibia) was visiting and she met Mary who was speaking to someone about the love of God. That visitor was a lady who is wealthy and she was interested to see woman having a study. She got a tract about who changed it with a number of health tracts which she loved so much but she asked Mary who she was and what she does. Mary explained her story and that good lady was shocked. She promised to help with funds to renovate her house and to keep distributing the tracts. It was later known that, that good lady was one of the people who love the Jesuit Agenda series. She has been a Lutheran church member who left her church after finding the Sabbath truth. Mary was so pleased and appreciated the love of God. She has continued to distribute the tracts, booklets. She also remembered the promises of God and has promised to continue sowing in the morning for the rest of her life."

From Kenya "Praise God. Last month, the government of Kenya declared cancer a national disaster after the disease claimed the lives of several dignitaries and high government officials, not to mention the ordinary folks who have succumbed to this dreaded disease. As

awareness campaigns are being conducted everywhere, this move has helped us penetrate the health message which is the right arm of the three angel's message. I have been conducting door to door and teaching them about the eight laws of health, and taking the opportunity to highlight about healthful living and good diets and the response is good, so I request more of the tracks of clean and unclean flesh, for they'll help many to know the dangers found in meat as one of the main causes of cancer. Right now people are terrified and are ready to hear and read beneficial information that will help them stay safe, and hence also passing the present truth at the same time. The world is surely perishing for a want of the gospel. And as I was reading the SOP I was motivated and my zeal renewed for we are not to wait for souls to come to us, but we must seek them out where they are. For this reason I set a higher standard for myself in order to carry the gospel to the multitudes who are starving for God's word. I set the mark and I aim that through God's grace I reach ten thousand people by the end of this year by giving out the tracks and other materials available. Apart from traversing the big town of Nakuru, I have managed to give out the materials in the nearby neighboring towns of Nakuru, and last week before the tracks got finished, I had embarked on visiting far away towns which I had not gone to at least once a week and the rest of the days doing door to door which is also very effective or at times giving out the tracks in the streets of Nakuru which boasts of a huge population. Of this number, the wealthy people are the most hardest to deal, they seldom accept these messages for I have noticed that out of those I have managed to reach, either in their cars or at their places of work, only a few of them accept but a large number of them even decline to take the materials I offer them and yet we've been bidden by the Lord to reach both the poor and wealthy alike. My heart feels sympathy for their lack of interest in eternal matters. But no despairing on them.”

“It's true that I can't relate to you everything in details concerning the work here, but I want to assure you that the progress is reassuring so far. The street boys, men and women I had briefed you about earlier are manifesting positive attitude towards the gospel. I had fully won their trust by Christ's method, by getting my wife prepare simple healthy meals and taking it to them once in a while, and I believe God is going to touch some of these poor souls for they've gained so much knowledge through reading your materials I gave them and this I learned with gladness for they tell me what they've learned and ask logical questions whenever I pay them a visit. Slowly but gradually they're improving too on their addictions to street drugs and some are optimistic that the Lord will grant them victory and obey God's laws which they have memorized all after I asked them to do so. As for now my aim is to attain that target I set for myself and that means more effort, sacrifice, and self-denial for I know that many whom God has qualified to do His work accomplish very little because they attempt little. May God help me to be more determined and be fruitful. Good news is that your materials have wrought changes in people's lives some whom only eternity will tell for I'll never meet them again after the first encounter of giving them these messages which majority are well received and only a few rejected by stubborn and proud men. More briefs when I get the materials and inform you of further progress in the Lord's field. God bless.”

Rep. of South Africa “Once again thank you for your support, you have no idea how much I appreciate your help. The little magazine, brightly colored covers are absolutely brilliant, they are so easy to understand, Daniel and Revelation and the Sanctuary, I started reading and didn't realize how long I had spent on them as I compared it with Revelation book that you sent, it was past midnight!. To me, being an Adventist all my life, I learned new things from the historical view point on Daniel, I loved it. There is a Pentecostal pastor also very interested, working on it. My son, Noel, had a friend at school who turned out to be a pastor in the charismatic church, I am working on him as well, only God knows what will happen, but lately I was very impressed to work with him, keep praying.”

From India “I am so thankful to receive the parcels once again after 3 months due to the new law has been declared by the Indian government. I was thinking Satan has put an end of my ministry God in his wisdom cleared the path. I got 3 call cum shock notice received to pay Indian money 1500 but I prayed and got the responses not to reply and waiting God to intervene so far no other obligations or any other letters did not received .it was totally a surprise to another parcel box yesterday. Thanking you for the efforts to clear the path and bringing the way for me to receive the valuable books to the perishing souls. Indian economy is on the verge to collapse soon and Sunday law will be passed. THANK YOU and no words to express. God bless your lovely family and truth triumphant. In JESUS CHRIST mighty name”.

From Australia “Just wanted to say how much I'm appreciating your latest videos on a deeper revelation of Des Ford's theories etc. How I wish the church had had these when he was 'swinging the axe'! Then, most SDAs then probably would not have listened anyway. It is so good to gain a fuller idea of where his ideas came from - from what you have revealed it seems without doubt now he was in fact a 'plant', and never an SDA at all. Simply amazing...Again, thank you for your very informative revelations about Ford. I think there will be many SDAs this will certainly 'blow away', I feel! I have found his teachings still have a stranglehold on many even in Australia. We simply were not ready for this sudden uprising of evil among us and I thank God the few brave faithful such as the Standish's stood to expose his teachings at the time. I'd just not long been baptized when I went to Avondale and actually confronted him on his claim to 'have received new light', as even then I knew Sister White said no light will be given to any one individual.”
