

Dear Friend,

September 2020 newsletter

As a youngster growing up, my parents would take the family to a ballgame. Since we were from California, we attended large stadiums like Candlestick Park, Kezar Stadium, or the Cow Palace. These were all around San Francisco. Sometimes, during a very close game or a playoff game, the crowd would be screaming at the top of their lungs. The noise was so loud, it was deafening! You could not hear anything, it was so loud! In an exact opposite way, there has been such a complete silence from 'major watchman' in Seventh day Adventism during this monumental crisis, that it is equally deafening!

When I reference 'major watchman' in Adventism, I am speaking of people like Doug Bachelor, Mark Finley, Ted Wilson, and Three ABN! They have spoken during this crisis about how to maintain health at this time and that is good. However, NONE of them has said a word about the footprints of the papacy/Jesuits in this whole affair. NONE of them have mentioned the erosion of the gift's Protestantism gave us and how they are being destroyed throughout the world. Those gifts are: a middle class, civil, and religious liberty. Before our eyes, middle class jobs are being destroyed by the millions. Civil and religious liberties are being chucked to the wind, and have the 'major watchman' in Adventism' even muttered a peep about it?

Seventh day Adventists have always understood that, based on Revelation 13 and the Great Controversy, there would be a total erosion of civil and religious liberties toward the end of time and that the papacy and apostate Protestantism would be the principle movers and shakers in this. Are we going to now say that while the gifts of Protestantism are being ripped asunder that Babylon the Great and Apostate Protestants having nothing to do with this? Are we going to now say that the attack on civil and religious liberties is justifiable and all right? Will a Sunday Law, in a time of crisis, be all right too? Friend, we are in grave danger and the 'major watchman' are SILENT!! SHAME!! SHAME!! SHAME!!

"His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain, from his quarter." Isaiah 56:10,11 We have 10 Bengal tigers seeking to devour this earth, ripping the heart out of God's professed people, tearing apart precious civil and religious liberties and the 'major watchman' in Adventism are saying nothing. They have become dumb dogs that will not bark!!

"Son of man, speak to the children of thy people, and say unto them, When I bring the sword upon a land, if the people of the land take a man of their coasts, and set him for their watchman: If when he seeth the sword come upon the land, he blow the trumpet, and warn the people; Then whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head. He heard the sound of the trumpet, and took not warning; his blood shall be upon him. But he that taketh warning shall deliver his soul. But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken

away in his iniquity; but his blood will I require at the watchman's hand. So thou, O son of man, I have set thee a watchman unto the house of Israel; therefore thou shalt hear the word at my mouth, and warn them from me.” Ezekiel 33:1-7

The purpose of the watchman was to look out for an approaching enemy. If the enemy was detected, the watchman was to blow the trumpet and warn the people. This would clear the watchman of all responsibility in case the enemy invaded. However, if a watchman saw the enemy coming and did not blow the trumpet, then the watchman was guilty of neglect of a sacred duty and would be guilty of the people's blood. The undoing of all that Protestantism bequeathed to us, which is the purpose for why the Jesuits were established, (GC. Pg. 234,235) is so blatantly in our face today! The 'major watchmen' in Adventism today are silent!

“What astonishing deception and fearful blindness had, like a dark cloud, covered Israel! This blindness and apostasy had not closed about them suddenly; it had come upon them gradually as they had not heeded the word of reproof and warning which the Lord had sent to them because of their pride and their sins. And now, in this fearful crisis, in the presence of the idolatrous priests and the apostate king, they remained neutral. **If God abhors one sin above another, of which His people are guilty, it is doing nothing in case of an emergency. Indifference and neutrality in a religious crisis is regarded of God as a grievous crime and equal to the very worst type of hostility against God.**” Testimonies, volume 3, pg. 280

Uganda “Thanks be to God. I received the funds in my account today. Thank you to uphold us in the work of God. We plan to use part of the money to buy parking boxes for the photocopied literature materials ready to be sent in the Missionary stations like kiboga district, Buyende district, Namutumba district, Jinja district where the let elder Balongoire Noah lived, Buvuma district, and others. Part of the money still will be used for postage costs and also transporting our literature evangelist youth team to distant places to do mass distribution of the literature. We thank God who makes all this possible.” We praise the Lord for the opportunity to get a photocopy machine for the Ugandan brethren. They have already printed and handed out several thousand leaflets! Praise God! More, much more will come from this awesome outreach!

Edward in Zambia “This evening I have a very strange testimony I will share with you by a Catholic priest from Eritrea. This troubled priest called Charles early this week after 4 families ceased to be his parish members. They left the parish after answering the call from the powerful DVD series. The priest was confused to see 4 sincere families making up 14 members in total politely tell their priest that, sorry, they have found that ancient star of David the priest was further confused. He wanted to know the meaning of what they had informed him of the ancient star of David and what really had led these sincere members leave his parish and begin private studies at their homes. This priest made a good research, he learned that it was a mysterious American whom he has heard about from other priests. He further learned that the same American has sponsored controversial DVD series the Daniel and Revelation series that have revealed the works of his church and that of the papacy. These sincere and faithful family members were led out by God to accepted and hold onto every word of hope P.B you have brought forth in power of the spirit to show God's people the eternal highway to the everlasting

Kingdom of God. I am informed P.B that these families left their parish without informing anyone. There was a time the priest set to visited these families to persuade and plead with them to get back to the church. He had no idea that the separation of those families was so deep. They had more than 5 different series which had sealed them into a new strange path of faith. Among those series were the Amazing Series, the Hebrews, the Romans and Jacobs sons. These families learned that the Sabbath is Saturday and, in their capacity, they began to observe this wonderful Lords day. The leader of the families told the priest that they were happy to find something worth to rest their lives for. They are not coming back to that dark and most secretive church of rituals and rites of Romans. At those comments, the priest realized how far they have gone and he returned back to his parish with a heavy heart. He began to make private inquiries about the source of DVDs from his parish members until one member spied on those families and got the number for Charles which the priest used to call him hoping that he was going to speak to the American. Charles was shocked to learn a complaint from this priest who called him. He began his complaints by saying “that the American has a very dangerous mission to African Church, that his parish was one which he has successfully attacked through his mysterious messages he has carefully hidden in the DVDs.” Then Charles asked the priest whether he has personally listened to any DVD of the American, he admitted that he once heard the American speaking on the radio and he was talking about “us” in one of his presentations. He ended by saying that “this mysterious American is the most dangerous man, who is caused much trouble to us. “All Our members whom he has spoken to are having difficulties to cease listening from him, once he starts talking, he has mysterious powers that hold the mind of our members, he does not stop there till he wins them.” He told Charles that the Church is doing something and our mother Mary has heard us concerning this man for he has sinned greatly against the church.” Something disturbed that phone call and came to an end. Charles later that day shared with me about this Eritrean priest. We are aware P.B that while the DVDs are breaking the fallow grounds of God’s people, the devil is trying hard to stop this work by shutting the U.S Post system, and yet God gave you another way to continue flooding bread to the thirst and hungry. We always pray for you P.B. and God bless you and bless His work. We here will continue to push forward this work closer to the doors of everybody.”

From Washington state “Pastor Bill- Just had something very interesting to happen, which has never happened in all the years my wife and I have been putting out literature/books, etc. in communities. Had on display 8-10 of the following books, and one small magazine (as always, all of what we put on display is free, for your info., but I think you already know that):

- 1) "Sunday Is Not the Bible Sabbath"
- 2) "Beware the Silence/Silence No More"(re Spiritual Formation)
- 3) "Spiritual Vigilantes"(by Danny Shelton)
- 4) "C Virus-19 "The Rest of the Story"
- 5) "The EU"
- 6) "Beware of Ghost"(the small magazine)

All of # 4 above were taken, and the others were either partially taken or not taken at all.” Praise God!

Edward again “I am just being happy to share with you that a government official in Zambia who has asked me not to expose him or mention his name anywhere, has asked me to send him the document you made on corona virus. He is very interested in what we are presenting. He got the first DVDs through a brother in Lusaka who usually comes here to pick the DVDs and this minister has a relative who happens to be friend to Cosmas our brother in Faith. He told me that the American has said the truth more than our government and he will stick to it. He is looking forward to yet other DVDs. I will make available the corona document you have put together and scatter in across these country and other places.”

From Kenya “On the other hand I'm so joyous to inform you that the materials I had been sending to various destinations in the recent past are bearing fruits. Two home churches have been started within two months ago. One in the lake region of Kisumu, the one who was helping spread the gospel there had to start a home church after many thirsty souls whom had received the tracks and read the books and were touched started gathering every Sabbath for more revelations and the home church is now on progress, they've even requested that I personally pay them a visit and help them understand more about these Bible prophecies and I'm planning God willing to reach and share with them more of present truths and answer their questions and give them few of the DVDs remaining that I had preserved. People's hearts are being awakened by these truths and lots of people are requesting for the materials but I asked them to hold their peace and keep waiting till things will clear out. In my daily evangelism, I try to bring people's attention to the laws of God and especially the downtrodden fourth commandment and about the Sunday law and this has caused a lot of interest from many especially the Sunday believers. The police boss I informed you about in my previous report has made good progress, he's been studying the materials I gave him together with his juniors and they are making sense to him, he believes that at long last he has found the truth and the book of Daniel and Revelation which he had earlier believed to be sealed books are now understandable to him. May the peace and grace of God be with you and your family always. God bless.”
