

Dear Friend,

April 2017

I'm delighted to introduce a new phase in Truth Triumphant's ongoing drive to reach the world with the 3 Angel's Messages. Over the last few months, we have been able to open up our own You Tube channel on the Internet. It is simply entitled 'Truth Triumphant'. The response has been awesome. The following are a few details concerning our new You Tube Channel: 151 videos on our channel (and counting), 61 subscribers, 4,842 views (and counting more every few minutes) 2,716 views from the United States, 285-Canada, 185-United Kingdom, 165-Australia, 123-Jamaica, 81-Bermuda, 63-South Africa, 54-Spain, 38-India, 30-South Korea. There has been about a 2,500 jump in views in the last month; 1,500 being in the last 10 days. This is amazing! Praise God for the privilege of being a part of this work!! With the internet being utilized by people all over the world, it is going to be amazing to see how this channel unfolds in the coming months!

Something else is happening as well. A brother in this message is currently in the process of creating a website that would tell the world through the internet the wonderful work the Lord is doing through the radio programs going on in Africa/Zambia! The website would contain testimonies, videos, pictures, and messages from Africa downloaded at this website. As this unfolds, we will keep you informed!

As of this writing, we currently have over 4,500 students in our Bible Study program from our mass mailings. Countless students have completed the courses and are in turn, sharing the truth with others. It is amazing to see how the Lord has blessed this outreach since its beginnings several years ago! We are also happy to report the Lord's blessing in our continued outreach to the world via Bibles, DVD's, tracts, SOP books, and other worthy literature that we have recently topped the 11. 3 million mark in literature sent out over the last many years. Praise the Lord for His goodness and ongoing blessing in all of these projects!

I listened in stunned silence to the phone this morning as a very devout, sincere, dedicated, and honest young man recounted an evangelistic series conducted in Sanford, Florida recently by Amazing Facts and their main speaker, P. Doug Bachelor. In the course of the meetings, the young man heard that, "The Holy Spirit is the seal of God", "Pope Francis seems to be a really nice man" and "the apostate church is the church in Rome." The young man, whose entire immediate family were Catholic, came into the Advent message a few years ago

from this same speaker, said to me, “Pastor Hughes, after listening to the messages, I felt BETRAYED!” I was shocked! My advice to the young man was to write a letter to the main speaker of Amazing Facts and tell him how deeply disappointed he was in what he heard and what he didn’t hear!

Do we realize friend that all the messages of SD Adventism are intimately connected to each other? They are like dominoes; if you hit one, all the rest of them tumble as well! The Holy Spirit is the Seal of God??? This conclusion was drawn from Ephesians 4:30 “And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.” The Bible DOES NOT say the Holy Spirit is the seal of God; it simply says the Holy Spirit seals a person in the conviction he or she has taken. As the SOP says, “Just as soon as the people of God are sealed in their foreheads—it is not any seal or mark that can be seen, *but a settling into the truth, both intellectually and spiritually, so they cannot be moved—just as soon as God's people are sealed and prepared for the shaking, it will come.* Indeed, it has begun already; the judgments of God are now upon the land, to give us warning, that we may know what is coming (Manuscript 173, 1902).” The Holy Spirit sees the steadfast convictions, the expulsion of sin from the life, the sinking deep into the truth of God; He takes those convictions and stamps it with His divine approval, and that person is ready for anything!! “Happiness is composed of little things and great things. . . . If we would become like Christ and receive His fashion of character, we must in little things train the soul to daily progressive sanctification. We have no time to lose. Would you impress the seal to obtain a clear impression upon the wax, you do not dash it on by a violent action, but you place the seal carefully and firmly and press it down until the wax receives the mold. Just so the Lord is dealing with our souls. . . . Not now and then, but constantly the new life is implanted by the Holy Spirit after Christ's likeness.” In Heavenly Places, p. 66

This is why the New Theology is so heinous and wicked. If someone believes that they can keep on sinning until Jesus comes and lives a life of sinful behavior, then when the Holy Spirit goes forth to do His sealing work, that person will be marked with the mark of rebellious Cain AND will be lost forever! How scary a thought, but nevertheless absolutely true!

If we say, with P. Bachelor, that the Holy Spirit is the Seal of God, then what is the mark of the beast? The seal and the mark are opposites. The seal is a sign of loyalty to all of God’s commandments and the mark is a sign of disloyalty to God’s commandments. If the seal is the Holy Spirit, then is the mark an evil spirit? And who is the beast power? Is the beast the devil? Since the beast power is the same as the little horn in Daniel 7 and Revelation 13:1-10, then who are the little horn and the first beast of Rev. 13? The little horn rises after the pagan Roman empire or fourth beast in Daniel 7. Do you see friend, how if you take that belief of SDAdventists and you twist it to mean something else, then you have a real problem on your hands because, truly, everything falls apart?

After listening to the young man talk of feeling betrayed, I assured him that the truth of God is the same yesterday, today, and forever. Hold on to the truth as it is in Christ, and it will not fail you. How comforting the words, “Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that

dwell upon the earth. Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.” Rev. 3:10,11

Letters from around the world.....

From Edward “I am delighted to share with you a story coming from Mbeya. This is small town in Tanzania. There is a man by the name of Thomas who used to live in the Northern part of Zambia and left to live in Mbeya. He carried with him his family and settled on an acre land where he started growing crops. One day he sat under a tree which was on his land resting. He was reading a tract entitled who changed it and that reading, he had a strong decision to share with someone about the truth of Sabbath. He visited the neighbor farm where he had a discussion with the owner of the next farm. That owner was a Catholic while Thomas was a Baptist who had accepted to worship on the Sabbath and keep the Holy day of the Lord. The discussion went on very well and after a week, the other man who was a Catholic believed in the truth which the tract had revealed. Now Thomas wanted to get more info and other materials for evangelism. I was contacted using my number which I place at the back of the tracts and that is how Thomas shared with me his story in Mbeya. Now for over a month, the two families have been fellowshiping together without someone teaching them in depth; the Spirit through that one tract was able to lead those people into the truth of God and started observing the day of the Lord. When I was contacted, I sent them the DVD’s and other materials last year and about 4 months later, Thomas told me that they are about 15 members and have discovered the radio programs from Kavu and they have actually learned so much truth than when they started to study from the tract. The Revelation series has opened their eyes in revealing the untold prophecies which their ears have never heard. Thomas told me that it was for the very first time to listen to the true meaning of the beasts of Revelation and Daniel. In fact, if there was a teaching that has grown their faith, it is the series of Daniel and Revelation series. Thomas has extended the sharing of the radio programs to other people living in Tanzania so that they too can learn the wonderful prophecies of the Bible which are hidden from many churches in the world. Thomas has since appreciated God for having you pastor Bill to put up those well researched lessons. Today, Thomas is able to share with his members a lot of info which he has learned from you.... There is a place in Angola known as Namba. This place has some Catholics and among those Catholics, is one old man known as Ndumba. He is 90 years of age and has been a Catholic for many years. This man had said in his heart that he would like to die with hope to see Jesus when he comes again. He has been faithful and very devoted throughout all his years. One day this man dreamed of a strange man pointing to him the law of God and to the Sabbath. This was strange to him. The stranger was pointing to the golden tablets which were shining and he said there was so much light on the fourth commandment which was written in his language which he was able to read for himself. He woke up in the middle of the night and he took his rosary beads and prayed to Mary. After doing his Catholic prayers, the stranger appeared to him again in his second dream and that stranger warned him never to pray to Mary nor use rosary and bead any more as by doing that he shall break the law of God. He woke up again and got confused. A week later the stranger appeared to him again and pointed to him the golden law of God which was written in his language and the Sabbath had more light shine around it. He then was told to keep the law of God and the Sabbath. In the morning, he woke up and fetched for a

man he trusted and knew to be an Adventist and narrated to him his strange dreams and the stranger. That Adventist man was one of those who belong to our brethren in Luena and had been taught through the DVD series. That Adventist man was glad to tell that man that God had called him to worship Him before his life came to an end. That man was happy to hear the good teaching from the DVD series which the two were listening together and discussing the chapters of Revelation and Daniel. After 4 months, the man was baptized and died after a short illness. His relatives were shocked at his sudden death and wanted to know more about what he had told them about his strange dream and the stranger. A family study was what came to be and today as we speak, there is a home church in this family and one of our brethren is helping this family to understand the truth from the Bible and from the DVD's."

From Ghana "The Lord is great and we need to glorify Him always. Though illiteracy is high and the people want to listen more than reading the students at our colleges are doing well with the printed materials. Over 10,000 tracts from our new copier has been distributed and the response is encouraging. We have been receiving calls; a brother called to ask where we have been worshipping. It is my prayer that those who read are converted into the fellowship or during the Loud Cry."

From North Carolina "I have been greatly enriched through your DVD's on the You Tube. They are such a blessing to me and my family. From your messages, I have come to learn about your books. I read them both and found them to answer many questions that have bothere3d me for a long time. I would be very interested in receiving more information from you on the Bible and the book of Revelation. Thank you very much."

From Malawi "It is very wonderful that your books and tracts as well as videos are changing people's understanding of the Bible. A lot of people are thrilled to receive the truth about the number 666. Your books are very wonderful because they explain very clearly that this number is already working and that it is the number of the papal system. Wonderfully, people are understanding wherever we reach with this teaching. May God continue to bless you more abundantly for your work for the kingdom of God."
