

Dear friend,

May 2021 Newsletter

We are excited to report pallet #4 making its way to Zambia! Edward should have it by the first of May! We are excited to report the ongoing mass mailing outreach to S.F., L.A., and Nashville! Cards steadily come in from those interested and we still hear from mailings to Michigan and Texas! Praise the Lord! Books continue to fly out of the ministry to the four corners of the earth!!

As I type this, it is the first week of April. The book is done, just about ready to go to the printing house in West Virginia. I was done, but it was suggested that another chapter be added so it has taken a little bit longer. In last month's newsletter, I mentioned about Ted Wilson apologizing to a young man for saying the mark of the beast was any day of the week other than the 7th day Sabbath. Wilson made that comment back in 2014 in Grand Rapids, Michigan at an ASI meeting during a panel discussion. He declared that the mark of the beast is any day of the week other than the 7th day Sabbath. On the panel were Mark Finley and James Rafferty, among others, and they said NOTHING! While Wilson made this statement on 3ABN, he could tell a young man in private that he was wrong and that made everything right!?!

Surprise, surprise; Ted Wilson LIED to the young man. He has repeated this statement in a book put out recently called 'Almost Home. In the book it lists the chapter "Good News about the Judgment." In this chapter it says, "God's people will worship on the seventh-day Sabbath and treat it as a holy day. This regard for the day God calls His is the "sign" that these people are His too. Conversely, **attempting to substitute any other day of the week in place of the seventh-day Sabbath is the mark of the beast** – the mark identifying those who disregard God and His will." Again, the March 2021 edition of Adventist World p. 21, published by the General Conference of Seventh-day Adventists, has just announced a new Three Angels' Message "project" for "church members." This announcement was made during an interview with President Ted Wilson. Ted Wilson explained the new project and shared his views about the

mark of the beast. He said: “All of this is closely tied into the three angels’ messages, helping people know that God is the Creator, that we need to turn away from false religious practices that constitute Babylon in mixing truth with error, **and that we are to avoid the mark of the beast – false worship on a day other than the seventh-day Sabbath.**”

Friend, Ted Wilson has not stopped calling the mark of the beast any day of the week other than the 7th day Sabbath! He flat out lied to the young man who spoke with me on the phone. And where are the voices denouncing Wilson’s continued bold and false claims of prophetic interpretation? Mark Finley, you know what the mark of the beast is, don’t you? Then, why do you say nothing as the president of the Gen. Conf. continues to splatter egg all over his face? And, how about you, 3ABN? Do you know, Danny Shelton, what the mark of the beast is? And why do you remain silent when bold apostasy rings out from Ted Wilson’s presidential chair? Or, how about you Steve Wohlberg, or Doug Bachelor, or James Rafferty, or Ivor Meyers? Why do you all clamp up when the GC president makes a fool of himself and you say nothing? Shame on all of you and shame on all those who uphold these men who REFUSE to rebuke sin and apostasy in high places. “His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain, from his quarter.” Isaiah 56:10, 11

“Those who have been thrust out to bear a plain, pointed testimony, in the fear of God to reprove wrong, to labor with all their energies to build up God’s people, and to establish them upon important points of present truth, have too often received censure instead of sympathy and help, while those who, like yourself, have taken a noncommittal position, are thought to be devoted, and to have a mild spirit. God does not thus regard them. The forerunner of Christ’s first advent was a very plainspoken man. He rebuked sin, and called things by their right names. He laid the ax at the root of the tree. He thus addressed one class of professed converts who came to be baptized of him in Jordan: “O generation of vipers, who hath warned you to flee from the wrath to come? Bring forth therefore fruits meet for repentance.... And now also the ax is laid unto the root of the trees: therefore, every tree which bringeth not forth good fruit is hewn down, and cast into the fire.” In this fearful time, just before Christ is to come the second time, God’s faithful preachers will have to bear a still more pointed testimony than was borne by John the

Baptist. A responsible, important work is before them; and those who speak smooth things, God will not acknowledge as His shepherds. A fearful woe is upon them.” Testimonies, vol. 1, pg. 321

I wonder how the Lord regards the current goings on with Ted Wilson and those who refuse to rebuke him? A fearful woe is upon them!

From Australia “Thank you! dear Mr. and Mrs. Hughes. Thank you so much for your parcel, which I received on Friday. Most amazing books which I love to read. How wonderful the truth is, which for many years before, I had not always followed. Love your wonderful sermons especially behind the door series, and the amount of history I learned was so beneficial. I am so hurt for you when people may upset you because you only tell the truth. my GOD richly bless you and the family, and the wonderful congregation that hears your message every SABBATH. Kind regards to all, George Ioannidis.”

From Edward “Did you know P.B that God called you to shift and transform the faith and religion in Africa at such a time when the word of God was really inadequate!! Yes, for the past several years, your sincere, forthright hand with cutting truth has unceasingly kept sending the tracts, books, DVDs and on air. Thousands of people across this continent have heard and have continued to hear and understand the awesome everlasting gospel from your voice. Muslims, Hindus and white people living in Africa have heard the spoken word of God through your uplifted hands. I can testify to you that in Southern, Central, East with a few parts of North Africa and West Africa, the materials have successfully reached strange African nationals and visitors. The radio has added to that but is not heard in some places but the amazing DVDs with books have penetrated hills, mountains and crossed rivers and deserts to reach truth seekers. I merely send materials to contacts who give me updates of what is going on. The Sabbath and the Law of God has been revealed to those who never knew this. It was for the first time some Kings and Chiefs of Africa to read EGW books like GC, DA with a lot more. Only God knows how He is working on such hearts of all these people. The pallet movement with the priority boxes have touched many lives of the clergy, those in governments and certain presidents like our former President of Zambia Fredrick Chiluba, Levy Mwanawasa. These two late presidents had an opportunity to read the books and watch a DVD or VHS tape then. This is all to God’s glory. I remember in 2004 David Wilson telling me to scatter more materials that you used me which I

used to send to extreme North of Zambia during weekends. Why am I saying all this, it is because of God love that we have seen and cherished from your hands and that everlasting truth of God. We are safe and secured on this cause of God because we have learned a lot and are yet to keep learning. God will protect you and take care a special guard on you. Now, there is a white couple that came from Norway. This couple landed in Okavango in Namibia because they wanted to see wildlife animals in that country and proceed to Cape Town. While they were at the airport, one of the immigration officers was holding a small red NSL and a Covid -19 book. This couple was surprised to see a book about Covid 19 and so they asked to just have a look at the book. Now that immigration officer is our member in Namibia and when he saw the interest of this visiting couple, he gave them the books with the NSL and 2 DVDs as a gift. This couple appreciated so much and left. They went to a hotel and spent a night. During that night, the male partner woke up and began to read the Covid-19 book until late. This man has never known or read anything about this virus and he was so pleased to learn more from the NSL. Since they had a schedule to go to the park, they woke up early packed and left for a game park. While they were there, this couple used to read through the Covid-19 book and in the night, they could watch a DVD which was about Health and Daniel series. This was the first time this couple to learn something about the 8 laws of health and they were so happy with you P.B and all the 3 days they stayed in Namibia, they appreciated what they learned. The next day, they took a flight to Cape Town, while on the plane, this couple for the first time learned a lot about the papacy from the NSL book and from the DVD which the lady was watching you speak about the unrevealed truth. You will be interested to know that this couple never attended any church in Norway, they were all civil engineers for military aviation. Re-reading the Covid-19 book, the female who was reading the book after watching the DVD sermon remained silent for a while and asked the husband a question that they have been married for over 8 years and never knew who keeps their life. While this couple was discussing, a female worker or air hostess made an announcement to fasten the seat belts and pray for a safe landing as there a fault with one engine on the left. This news unsettled them and it was when they thought that was their last day and so they both played the DVDs and learned how to pray in very few words. They promised God that if they would land safely, they shall begin to be God's children. God granted their request and just in time, they landed on some private airstrip and everybody on board came out from that plane safely. After a few hours, the passengers were taken by helicopters to their destinations and

when they finally reached Cape Town, they tried to call that good immigration since he had a number at the corner of an NSL book and this couple shared with him their experience which I was later informed. That Norwegian couple since that day became God's children who believed in all the truth God revealed to them. They went back to their country with those materials.”

From Ghana “This is to let you know that I have received three days ago a couple of packages of books you sent parcel post. I would have liked to know if you sent more than two packages of books. I really appreciate your helping to spread the gospel through the printed page in such a time as this. I wonder if there is any independent ministry in the states that supports the spread of the gospel like Truth Triumphant.

From Uganda “On 17/March/2021, we received six boxes of literature materials and as the post master inquired of what we always get in these boxes, i opened one box and gave him several books- a Sunday law book, Great Controversy, ministry of healing, covid-19 book, and a tract (who changed it). The attention was more on the covid-19 book and said "my heart is now settled because I have a message about this pandemic and sat down to read saying " I must read to completion ". Sister Desire, one of our youth team, distributed books and tracts in a town called "Kakiri" and two women after reading the books they each received, started to come to worship with her on the sabbath. As she reported to us, we sent elder Wandeega Jackson to visit them for a revival weekend to strengthen them in the truth. Most of the literature materials are handed out in towns and cities where by many people upon receiving respond, "wonderful, great, God bless you, thank you, etc.”
