

Dear friend,

July 2016

On my recent speaking appointment to Arizona, I renewed contact with some brethren from Ethiopia who are now living in Phoenix. They declared that there are many people in Ethiopia who love to hear the 3 Angels messages in their wholeness, but there just isn't anyone willing to preach them. I immediately contacted Edward in Zambia to see if we could rectify the situation. He found a powerful shortwave station that covers Ethiopia and 22 other countries in Eastern, Central, and Southern Africa. It also covers the Indian Ocean countries of Madagascar and Seychelles. For a very reasonable price, we were able to sign on for prime time, 4 hours per week from 7-8 pm on Sunday, Tuesday, Thursday, and Sabbath! Edward is already getting calls from listeners!

A dear gentleman from Ghana is visiting the ministry this week. We have discussed the possibilities of blanketing West Africa with radio programs and getting a copy machine to mass produce the 23 odd tracts that we have produced on multiple subjects. When Benjamin saw the tracts, his eyes lit up and he said, "These are the perfect size to give to people like the leaves of autumn." With a radio program lighting up the airwaves and tracts blanketing the ground, West Africa could get hit with a blitzkrieg of truth very quickly. These are our plans for Western and parts of Central Africa. With these two projects in place to go along with the shortwave and radio programs already hitting the rest of Africa, we would have the entire continent being hit with the 3 Angels messages! Praise the Lord!

We are excited to report that 2 big projects are nearing completion. We have been mass mailing St. Louis for quite a while. It is a massive metropolis of millions of people. Along with doing St. Louis, we have been mass mailing the entire state of Alaska. Right now, we are just about finished with it too. By the end of summer, both places will be mass mailed. The total people in the mass mailing Bible study program is nearing 4,100 souls. The dear little church family in Coos Bay continues to strive to reach the entire state of Oregon. It is truly amazing what a handful of people can do when they want to serve the Lord! We praise the Lord for this golden opportunity to do evangelism before the curtain falls. The response that continues to come in is amazing. Whether it is from Alaska, Oregon, St. Louis, or from the massive continent of Africa, the 3 angel's messages continue to sound. In the letter section, I'll share some of the responses.

Back in late April, Danny Vierra and I teamed up again to produce some very important DVD's for God's people and the world. The first was entitled "The Sins of Babylon". This one looks primarily at the pedophilia epidemic that is rocking Catholicism. It is well done and full of information. The second one is called "Jesuits in the SDA Church, pt. 3" This one is pretty self-explanatory as it looks at the role of major Adventist leaders since the 1950's who have tried to destroy the 3rd Angel's message. It begins with the Evangelical Conferences of the 1950's and finishes with Ted Wilson and his Great Hoax! The two DVD's are available for \$20.00. They were done at Modern Manna's state of the art filming studio. You do not want to miss these!

Recently on a speaking appointment, I met a group of people who were bewildered by all kinds of false teachings. There was confusion over the names of God, the Godhead, the judgment of the living, the fulfillment of Ezekiel 9, and some were even claiming that a self-supporting leader was the modern Elijah of Malachi 4:5! The meetings that I had originally planned were all scratched as we dealt with these subjects instead. Praise the Lord; light broke through and many were reestablished on the bedrock of the 3 Angel's messages and our work for now. Notice this directive from EGW. "These three angels represent the people who accept the light of God's messages, and go forth as His agents to sound the warning throughout the length and breadth of the earth. Christ declared to His followers, "Ye are the light of the world." To every soul that accepts Jesus, the cross of Calvary speaks: "Behold the worth of the soul. **'Go ye into all the world, and preach the Gospel to every creature.'**" **Nothing is to be permitted to hinder this work. It is the all-important work for this time, and it is to be far-reaching as eternity.** "{ST, January 25, 1910 par. 5}

I did something else that I had never done before and that tell the same story 3 nights in a row. It was about a doe who was delivering a baby deer. All of a sudden, there was lightening that triggered a forest fire. There was a hunter with a rifle pointed right in the doe's direction, and a lion stalking from the opposite side. At this juncture, lightening hit the hunter and knocked him out. As he was being hit, the hunter shot erratically, and the bullet, intended for the doe, struck and killed the lion. As the hunter and the lion fell to the ground, a steady rain began to fall and it doused the forest fire. And guess who now was able to deliver her baby in peace?

From this delightful story (Thank you Gerri for sending it to me!), we are met with an awesome, profound question. Are we allowing anything to distract us from the giving of the 3 Angel's messages to the world? Are we distracted by forest fires of false teachings or by hunters with hellish darts of gossip that seek to rend God's people apart or is the devil stealing our crown by allowing the natural desires of our nature to drive the Son of God far from us? The doe has taught us a value lesson; stay focused on our job! "Behold, I come quickly: hold that fast which thou hast, that no man take thy crown." Rev. 3:11

Letters from around the world.....

From Edward “I am delighted this Sabbath morning to inform you that the Sky FM is reaching so many places and I have received at least some calls from as far as Seychelles and there is a man there who confirmed with me and asked me to send him this popular series which we are currently airing from this station on the secrets of the book of Revelation. I was so thrilled to hear that I praised the Lord that the messages should hit all Northern and Eastern African countries. Kafubu is also hitting with latest series which you sent me about Daniel and at Kavuu when we will soon be done with Church and state, we are likely to air Daniel series which is being aired on Kavuu. All these programs are bringing hope to many people Pastor Hughes. On bringing hope and courage to many people we may never know, I wanted to share with you about 4 prison inmates who have been following you on Kafubu for a long time and just recently, they were all executed for the terrible crimes they had committed. But before they were killed, they had something to say to the prison warden that they have been listening to the good American and have since asked God to pardon them. They continued to say that God has been speaking to their hearts for the past 3 years through the American on Kafubu radio station. They were asked what lessons they learned from the American and they disclosed that they learned to walk and live faithfully through a series of lessons he spoke about Amazing grace, Revelation series and so many more salvation lesson which brought them close to the merciful heart of Jesus. One of those men said, “It was only the voice of that American that spoke words of hope to their hearts and since then they have been students while in the prison cells. Pastor Bill, these are men God had spoken to through you and I had sent them materials some time ago and by their testimony, some prison officers had an opportunity to learn about Kafubu and other stations where the American speaks and they have since began to learn from you in their homes and even when they are at work. I was a bit saddened to hear about their execution, but that was a government decision which cannot be reversed. I am believing that in the morning resurrection these men will rise. In their past, they had robbed, raped and killed 3 female tourists who came to Zambia in 1996. And when their case was finally closed, they were found guilty to be sentenced to death and that happened. So one good prison officer called me a few days ago and shared with me this story and appreciated about the programs the American was teaching on Kafubu. He requested several materials from me to use and to give to so many inmates.”

From Nigeria “The blessing of God rests upon your ministry because you are helping those who can never repay you. I am awed by the continual support of Heaven sent literature, Bibles, DVD’s which then makes it possible for me to spread the 3 Angel’s messages far and near. Heaven alone will declare the souls reached for His kingdom by your invaluable gifts of materials. God bless,”

From England “I am 69 years old and do not know yet how to use one of these smart phones. Recently, I pressed a button and up popped a video of yours on world events in the light of prophecy. As one very interested in Bible prophecy, could you please send me any follow up

literature that you have and especially the new book, 'The Loud Cry of the 3rd Angel'. I can only imagine that your materials will knock my socks off! Thank you so much for the work you do."

From Leesburg, FL "I would love to receive any thing you would like to send me. I just finished the book 'Enemy Unmasked' Wow! Thank you for your work."

From Edward (A brief follow-up) "I am getting so many requests for DVD's as follow up from the radio programs. I was able to purchase 5,000 blank DVD's plus renew the radio programs and take care of my family with the funds you sent. I have kept a little by in case of emergency or needs for repair." Praise the Lord!

From Malawi "I would like to request form you the opportunity to translate your tracts into Chichewa language. I was recently in a secondary school and was teaching from the tract, 'What Happens when you Die?' The great majority of people were shocked to hear that dead people do not go immediately to heaven or hell upon dying. They had been taught that when a person dies, they go straight to heaven. The people wanted it translated so that they could share it far and near and felt that if it were in the Chichewa language, it would be easier to explain to others!"

From Alabama "We are truly living in the shaking time. What would we do without the Self-Supporting ministries? They are the only ones blowing the trumpet. Luther would turn over in his grave if he knew the successes of the Jesuits. EGWhite would turn over her grave if she saw how the Adventist denomination has eaten up Rome's agenda. Thank you for the work you are doing. We pray for you."

From Kenya "Evangelism is going well here thanks to your donations of materials. I gave 2 tracts to 2 young men entitled 'Who Changed It?' and 'The ISIS, Catholic, CIA Connection'. The men were amazed at what they read. I asked them if they wanted to submit their lives to Christ and His truth. They both said yes and one of the young men was Moslem! Thank you for all you do in helping us reach souls for His kingdom."
