

Dear Friend,

Newsletter May 2018

“Great is the LORD, and greatly to be praised in the city of our God, in the mountain of his holiness. Beautiful for situation, the joy of the whole earth, is mount Zion, on the sides of the north, the city of the great King. God is known in her palaces for a refuge.” Ps. 48:1-3 Truly, the Lord is great and He alone deserves all praise. We are rejoicing in His goodness as the various evangelistic outreach programs continue to flourish! The you tube channel, called Truth Triumphant you tube, hovers around 100,000 views as of this writing! These viewers include people from over 170 countries! The beautiful new website, done by Kody Morey, continues to attract more and more people and enriches many lives. The mass mailing program charges toward 5,000 Bible study students with people all over the globe receiving a blessing from the lessons. Currently, we are mass mailing Detroit, Washington, D.C., and Brooksville, Fl. The radio programs in Zambia continue to awaken millions on that continent. Edward receives letters and calls from many countries, asking for DVD’s and other materials. Soon, the book containing stories from the radio outreach in Africa will go to print and become available to you!

The missionary outreach to Ecuador was thrilling! The Lord has solid, dedicated people carrying on His work in this part of the vineyard. A precious young couple named O’Neal and Wonda Perry spearhead the work there. They form a delightful team with O’Neal handling the preaching and writing while Wonda is a great, healthy cook and provides natural healing remedies to the sick. Coming soon to our website will be a section on delicious, healthy recipes provided by Wonda.

There were eight meetings. The meetings covered subjects on the 2520, feast days, the sacred name, EJ Wagoneer, righteousness by faith, a question and answer, and Ted Wilson goes to Moscow. All of these programs can be seen on the Truth Triumphant you tube channel and are in both English and Spanish. The three most outstanding testimonies came from three men. The first came Byron, a lay pastor in Quito. He told me, “The messages you preached are not heard in the Spanish speaking world. We desperately need you to translate your sermons into Spanish and put them onto you tube.” Byron’s comments struck me like a lightning bolt! Immediately, the Lord led me to ask help from O’Neal, Wonda, and another bright, dedicated, and intelligent young couple to create a Truth Triumphant you tube channel in Spanish. They are already in the process of translating messages into Spanish! They promised me that they would do this.

Another man declared, “For a long time, I have been afraid to expose apostasy in the church; afraid that my standing within the church would be badly affected. I have many, many contacts within the Adventist Church, both laymen and pastors, all over Central and South America. After the last meeting entitled “Ted Wilson Goes to Moscow”, the Lord gave me the courage to tell the truth and let the chips fall where they may. I no longer fear reproach or censure; I will warn the people regardless of the consequences! Since the meeting ended, I have been sending that message to all my contacts throughout Central and South America. I will continue to share the truth and expose apostasy regardless of the backlash!”

Finally, a dear, Christian man named Eddie attended the meetings. He was filming the meetings with a smart phone. It surely was nothing fancy, but this man wants to see the truth of God triumph in the world and Eddie will use whatever he has to see the truth go forth to victory! Through his Facebook page and phone, Eddie downloaded the meetings and had sent them to his many contacts around the world before I left to come home. He was already getting responses of appreciation while I was still there! Eddie was a blessing to me because he took what he had, asked the Lord to bless his lowly service, and the Lord is doing just that! “His Lord said unto him, well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord.” Matthew 25:21

From Edward “My update is about a woman who lives in Botswana and is a teacher there. The woman whom I am told is Mthamba teaches Religious Education subject. One day last year, she came across a tract, which was talking about entitled “who changed it.” This woman was excited and surprised to read new lessons about Sabbath and Sunday issue. The teacher whose name is a bit difficult for me to pronounce, (African names sometimes are hard to pronounce because of languages and tribes) read and appreciated the message. She was a Baptist member and decided to inform her students about what she had discovered in private. She did not want the leader of the school to know that she was teaching unauthorized syllabus. Among those students who carried the tracts were children of other churches and when the tracts reached the homes of those students, some parents appreciated the tracts and asked their children to bring other subjects, on the other hand, other parents like Jehovah’s witnesses refused the tracts and threw the tracts in the trash bin. That teacher visited a nearby SDA church to ask for more tracts. The elders of the SDA church were surprised to see that woman requesting tracts, which they have never produced. They referred her to an evangelist who is my contact and she got what she wanted. She fortunate to be given three DVDs of Elijah series. She got interested in the messages and asked for some more. Thank God the last time I sent a brother DVDs and other materials, I included power pack series. Mthamba was pleased to receive a Revelation series and Daniel series. She was so happy that she tried to copy few DVDs and shared them with her fellow teacher and with her pastor. I am informed that her Baptist pastor has since appreciated the messages and has decided to request for a complete Revelation series. This pastor is humbled to learn revealing messages from the DVD’s. He said that the educative American has opened his mind and eyes to the real meaning of this mysterious book. He will be studying from the messages and later is willing to teach his church what he has learned from the American. This year, we will try to take several DVD series to many homes, churches and countries by the grace of God.”

From Canada “Hi Cody, I’m writing this note to let you know that our first set of bible studies are on the way. I wanted to let you know we added some monies to help cover posting. I can’t tell you how happy and relieved I am that my wife actually asked to do them with me. I wanted to ask if there was another study you might have that I could do in addition to the one my wife and I are doing. Although I enjoy this seminar, I remember doing it prior to baptism, but I’m

amazed at how little my wife Catherine remembers of the of truths we had learned there. Also, I've been following the "behind the door" video series from pastor Hughes it's so amazing to see the truth like that. I became interested in this when 9/11 happened and stumbled upon the book "the creature from Jackal Island" and have been a confirmed conspiracy theorist ever since. Only we know it's not a theory but a long drawn out Jesuit plot to bring down the American constitution and use her might to bring the rest of the world to heel under the papal boot. I'm sorry to go on like that but there is no one else I can say that to and not be made to feel like a nut, anyways thanks for your time.”

From Kenya, “I believe that you are doing well. We are also doing fine and the books and the tracks are helping souls and they are calling us asking questions which is a clear indication that those who are ready the literature are now looking for answers which their pastors cannot give them. Some are calling sharing me that their pastors are discouraging them from reading our literature because they are devilish. Some are being told that we are deceivers and other pastors are accusing us of not knowing what we are doing and saying. However, one thing for sure is that we are shaking foundations of false religions. I received a phone call from the Postal Office two weeks ago asking me to go and collect our parcel. They said that there were five boxes which I need to go and pick up. However, there were errors, which were committed by customs office. The customs office made errors on the amount that I was supposed to pay per parcel. Because they wanted us to pay twenty-five dollars for each parcel, which forced me, call their offices in Nairobi and they promised to lookat my concerns. Yesterday the Postal Office called me and told me to pay sixty dollars for everything, which I think, is fair but still expensive.

From Kenya “For the last ten days now we have been going round visiting village to village house to house, using every time, every minute even second to reach more souls with your truthfilled materials. At least Every family got some books and tapes and bibles. They were so happy. GOD has always going before us to prepare way for us so that we get souls ready to heed this last call. At kabianga 8 souls recieved the 3 angel message and were baptised. MORE SOULS ARE TOUCH ARE READY FOR BAPTISM. I will go back next week. The church is still under construction. Remember them in your prayers. thank you bill. Lkc

From Kenya “Thank you so kindly books received today one box, people like to study your materials so much many have become wise unto salvation. we still continue to pray for our government so that the spirit of the lord may touch them. They tax spiritual materials half normal way and that is the devil using them to hinder the work. I real appreciate the way you work with us you pay a lot for our salvation by paying for books.”

From India “I don't feel to say that to any person that i am an Adventist because i dont feek any diffrences between Adventist and non - Adventist. People find no differences so they don't see us as a peculiar people. Anyway We have to present the 3Angels messeage to the world so that God can lead them .Thank you for helping me all that you send is reached even the monks of etc.

God bless Truth TRIUMPHANT in a mighty way.”

From Bulgaria “Dear Bill, there is an increasing interest for the "Secret Terrorist" in Bulgaria. Past. Vesko organized printing of 8000, they have been distributed and now there will be printed 2000 again... To this book is more wanted than the Great Controversy and very good welcome from non-Adventist peoples than SDA! There are good true SDA friends in Athens, Greece, Bulgarian and Greece; they are now in relation and spiritual co-work with the English-speaking Philippine SDA Group in Athena... They have now this enquires to you: 1. your permission to print Secret. Ter. in English in Bulgarian printer (Cheep) and to send them to Athena, Greece to be distributed between the English speaking SDA and Greece-non SDA. 2. The brethren in Greece also would like to invite you for preaching in Athens... Also today I was told about the interest in Holland of your sermons!”

From the UK “Dear Mr. Hughes, Thank you for your ministry and keep doing the Lord’s work. I am writing from the UK and have started to watch your series. It has helped me to understand on such a wide scale the Great Controversy between Christ & Satan. The three angels message which the Lord has given us is not as fully understood and cherished by Adventist because the things of this world have become our habit and the search into deeper truths are neglected. The many people who observe Remembrance Day who have lost their relatives in the WW, if they were to hear the slides they would be stunned; and I believe a mighty change would take place in their lives. I will share by God’s grace using every opportunity to point them to the slides and lets watch and pray in hope that his will be done, and hasten his second coming.”

From Nigeria “The Christian Books you shared to us is a great blessing! Again, I went home and read these Books. Few days back I was moved to tears and wept profusely for my unsaved family members as well as for other lost people in general so I was still very burdened and kept praying for an open door to witness to someone. I went to the Young Men Christian Association -YMCA - to pick up my son. While I was waiting for him, I noticed that the woman sitting next to me was nervously wringing her hands. Moved with compassion, I began to talk with her. She opened up about some very difficult problems she is facing. By God's grace, the conversation turned naturally to the Lord. After a substantial discussion when I showed her these Books and read bible passages from it, she readily admitted that she was a lost sinner in need of salvation. With tears streaming down her face, she confessed those sins to Jesus Christ and received Him as her Savior. What a blessing. Thanks so much for these Books you shared with me!" From Kenya “Greetings from the book of Isaiah 54:16, 17 “Behold they shall surely gather, but not by me, whosoever shall gather against thee shall fall for thy sake. No weapon that is formed against thee shall prosper, and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servant of the lord, and their righteousness is of me says the lord. I want to thank you so kindly for sending good health magazine. Health of the nations. We shall photocopy many copies and hand out to many people. Surely, the world is sick and people must be informed of what is coming upon the world. This was a blessed box with good message in it. We are encouraged with the good work you are doing of keeping our ministry a life. We greatly appreciate. We need to inspire before we expire.
