

Dear Friend,

May2020 Newsletter

Well, everyone else has something to say about the current pandemonium going on all around us. I guess it is my turn. I think a better place to start would be with what Jesus said. What a novel idea and usually one overlooked. In Matthew 24, Jesus declared that the temple would be destroyed. (Verse 2) The disciples thought that when the temple should be destroyed that that would be the end of the world. “And as he sat upon the Mount of Olives, the disciples came unto him privately, saying; tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?” (Verse 3) Interestingly enough, to two very distinct questions, Jesus only gave one answer. That would mean that the events leading up to the temples destruction would also lead up to the Second Coming. This is called a prophecy with a dual application.

Something that Jesus stringently warned us about was deception. Actually, He mentions it 4 times in this passage. Notice: “And Jesus answered and said unto them, Take heed that no man deceive you.” (Verse 4)... “For many shall come in my name, saying, I am Christ; and shall deceive many.” (Verse 5)... “And many false prophets shall rise, and shall deceive many.” (Verse 11)... “For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.” (Verse 24) Throughout Jesus’ ministry, He would often say, “Verily, verily, I say unto you.” He repeated the word verily twice for emphasis. However, He repeated deception 4 times in Matthew 24 to try and drive that into our thick skulls. Beware of crafty, deceptive events at the end of time!!! What is deception but a trick or scheme used to get what you want. A deception is when you tell someone that the cookies are in the cookie jar when really they are upstairs in your drawer! The person goes to the cookie jar, and finds nothing while you are having a feast up in your room!!

Now, I have read several different accounts as to the origin of this virus. It came from China, or it came from a laboratory, or it came... You know, Jesus made it pretty clear as to who was behind this thing. In Revelation 17 and 18, we are confronted by a mega church called Babylon the Great. (Revelation 17:5) While the Protestant Reformers didn’t agree on much, they most surely all agreed on who Babylon the Great was and is today. She can be none other than the Roman Catholic Church system. The Bible tells us she is in cahoots with the political leaders of our world, (verses 2, 18) the churches of the earth, (Verse 5), and the merchants of the earth or the world’s wealthy (Rev. 18:11-15) Finally, Revelation 18:24 pinpoints Rome’s involvement in anything that causes great casualties of people. The Bible says, “And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.” Rome kills those who speak for God, those who live for God, and those who die in wars, terror attacks, and from preplanned viruses!!

Friend, you and I have watched the increasing of pestilential diseases for many years now. Let’s see: there was SARS, Ebola, H1N1 and many others. With each one, certain powerful people, whom we will identify shortly, have seen the benefits of these waves of disease. One group; the Rockefeller Foundation came out in 2010 with a document dealing with pandemics and leaders/populace responses to these situations. They recognized some very clear responses and wrote about it. “During the pandemic, national leaders around the world flexed their

authority and imposed airtight rules and restrictions, from the mandatory wearing of face masks to body-temperature checks at the entries to communal spaces like train stations and supermarkets. Even after the pandemic faded, this more authoritarian control and oversight of citizens and their activities stuck and even intensified. **In order to protect themselves from the spread of increasingly global problems — from pandemics and transnational terrorism to environmental crises and rising poverty — leaders around the world took a firmer grip on power.** At first, the notion of a more controlled world gained wide acceptance and approval. **Citizens willingly gave up some of their sovereignty — and their privacy — to more paternalistic states in exchange for greater safety and stability. Citizens were more tolerant, and even eager, for top-down direction and oversight, and national leaders had more latitude to impose order in the ways they saw fit.** Scenarios for the Future of Technology and International Development, pg. 19

In other words, if you want to gain control of people, destroy the sovereignty of nations, abolish individual freedoms, and be able to force the mark of the beast on a worldwide scale, and then use pandemics, real or otherwise!! The Rockefeller Foundation has been for the Jesuits for the last 140 years to bring about those very events in this world! You see, after the Civil War, the Rothschild's, who are the guardians of the Vatican's treasury, sent Jacob Schiff to America to gain control of the money flow in America. He came with Billions of dollars to finance stooges who would do the Jesuits bidding. Schiff found some willing knaves like J. P. Morgan, Carnegie, Leland Stanford, and John D. Rockefeller. "A brief history of Kuhn, Loeb and Co. appeared in Newsweek magazine on February 1, 1936: "Abraham Kuhn and Solomon Loeb were general merchandise merchants in Lafayette, Indiana, in 1850. As usual in newly settled regions, most transactions were on credit. They soon found out that they were bankers... In 1867, they established Kuhn, Loeb and Co., bankers, in New York City, and took in a young German immigrant, Jacob Schiff, as partner. Young Schiff had important financial connections in Europe. After ten years, Jacob Schiff was head of Kuhn, Loeb and Co., Kuhn having died and Loeb retired. Under Schiff's guidance, the house brought European capital into contact with American industry." Schiff's 'important financial connections in Europe' were the Rothschild's and their German representatives, the M.M. Warburg Company of Hamburg Amsterdam. Within twenty years the Rothschild's, through their Warburg-Schiff connection, had provided the capital that enabled John D. Rockefeller to greatly expand his Standard Oil empire. They also financed the activities of Edward Harriman (Railroads) and Andrew Carnegie (Steel). – Des Griffin, Descent into Slavery, Emissary Publications, pp. 36, 37 "Schiff used Jesuit-Rothschild money to finance J.P. Morgan, John D. Rockefeller, Edward Harriman, and Andrew Carnegie. Through the companies owned by these four individuals, shipping, energy, oil, transportation, railroads, import, exports, and steel with its associate businesses, would be involved. These financial giants branched off into so many other business enterprises that it simply boggles the mind. To say the least, the financial power gained by Schiff by 1900 was absolutely staggering!" Enemy Unmasked, pg. 40

Today, the Jesuits, with their tools the Rockefeller's, and Dr. Anthony Fauci, are using this pandemic???? To create a world where individual liberty could be at risk, national sovereignty

could be in jeopardy, and the world we once knew could rapidly disappear! The Lord is on His throne, He still holds the wheel in the middle of the wheel, and we can rest in Him!!!

From Edward “I am now going to share with you an update about a man known as Mike Ndhlovu who met the amazing truth in a very crude way. Let me share with you some info about Mike. Mike has been a good sincere Catholic member for the rest of his life until a few weeks ago when he was strangely quarantined in Livingstone for corona virus. Mike is a professional truck driver who transports goods from South Africa to Zambia. He has a small family that loves God and his desire has always been to be a good Christian. One good day while he was driving back home from Cape-town, had a break down. A faithful strange white man was driving on the same highway and saw Mike seated under a beautiful shade without anything to entertain or keep him busy, that white man decided to give him a tract entitled – “Who Changed it “ with other with other revealing tracts. Mike was surprised to receive free literature from a stranger but was so pleased to read the tracts in the night. That white man was one of those who received the power pack materials in the long past. Mike appreciated the facts he discovered and he desired learn more but in the morning, his long heavy vehicle was repaired and he had to start off. Along the way, he kept meditating on who Changed it tract and he was troubled in mind to learn that a high ranking official from his church – the pope made that change to the word of God. He kept asking God to reveal more educative truth in his life which he can rest for and God honored his request. This Catholic man P.B was a sincere truth seeker. A couple of weeks ago, he was driving from South Africa and when he reached the border of Zimbabwe, Mike was quarantined for corona virus with other drivers from South Africa even though they did not have this disease. There was one particular driver who was quarantined together with Mike a Congolese. They were put in the same house. This Congolese driver was an Adventist who worships with Pastor Albert in Congo and had carried some DVDs to give his friend in Zimbabwe but at the time this arrangement was being made, the Zimbabwean residents were already in a national lock-down and that is how this Congolese driver could not deliver the DVDs to his friend. Since he was quarantined with his fellow drivers, he decided to share with them the word of God. He then took one DVD to watch it with those interested. This amazing Congolese driver pulled out Daniel series DVD which he played for chapter 2. Other drivers got so interested in the American and got close to the laptop he was using. This was a turning point for Mike who heard what his ears have never heard before and saw what his eyes have never seen before. Mike got so close to the laptop and listened to the sermon. Mike shouted loud to others in the middle of the sermon that “Praise God” several times and sat down. He looked at his fellow drivers and told them that God has wanted him to be in that quarantine room for His glory. That night was a blessed night for Mike. He asked the Congolese driver to repeat the sermons for him one more time and several other times. This continued for the 14 days they were quarantined even when they were not sick of corona virus. Mike believed that it was God’s providence for him to be quarantined and learn important messages that turned him forever. At last Mike was home with good news to share with his family members. He revealed how had gotten the dvds from his colleague the Congolese driver and how God had taught him great and weighty matters in 14 days. He educated his family in special counsels he learned from Daniel and part of Revelation. He them decided to start to keep the first Sabbath day with his family at home and God blessed them. I got in touch

with him when he was now requesting for more dvds which I have been working on and have since shipped them to Mike.

From Kenya, "I greet you in the name of our Lord Jesus Christ with the hope that you are fine in the Lord. I am good too. I have witnessed tremendous working of the Lord for the past two months. To begin with, a former Elder of SDA left the church after studying your materials for some time, and with his family began a home church and armed with your materials, he is working tirelessly to help spread these truths. Some of his former church members have already become anxious and worried about his absence since he was the one teaching them prophecy of late and his guide book was one of the books you send me which I gave him, the book Daniel and Revelation made easy, he sees his home church growing soon. After extensive door-to-door evangelism, studying and giving out the tracks and books, through the grace of God, I together with another worker, we managed to win eight new souls for the Lord between January and February this year. Among those new converts is a young woman who comes from a catholic family, all her clan members are devout Catholics spurning several generations. She firmly decided to be an Adventist after reading the books, Enemy unmasked, secret terrorists, Sunday law among others. She was convicted after I helped her understand these truths and now she is facing persecution from family because of her stand but she is determined to remain steadfast with the hope that with time, they might as well learn of these truths and their eyes opened. Others were three women from Pentecostal churches who were impressed with these present truths, three young unchurched men surrendering their lives to the Lord and a man. Therefore, since we did not want to lose them and our church was so far from where they live, we sought for a room and started a small church where i gather together with them and help prepare these souls for the soon coming of our Lord. We are hopeful that the Lord will add more souls to this bumper harvest as people are evidently thirsting for nothing but the Bible truth especially on prophetic books and health messages. A number of teachers from various Adventist groups and SDA whom I gave the books especially Daniel and Revelation and Bible study for the home are very grateful for they can now teach their members with more ease since they now have guidebooks. In addition, a former schoolmate in High school whom we reconnected after more than two decades, and who is now a senior police officer in the government, working in the police headquarters in Nairobi, proved to be more than I could ever imagine. He was brought up in an Adventist family, and when I sent him tracks, books and DVD's to watch, he was so touched and I remember him requesting me to send him more materials that he can also get the chance to share this truths among his officers, he told me he could not keep silence with such powerful truths and especially he requested for the books mainly The enemy unmasked, secret terrorists, Sunday law, three angels, Great controversy, Ministry of Healing and others available, the tracks and DVD's. This request made my heart so glad and I did sent him the materials last week and he is happy distributing them among his colleagues whom he claims majority are corrupt and immoral and he wishes they wake up from their spiritual slumber. I hope that these messages have come in the right season for we believe that they will bring changes in these souls. So far the work is progressing steadfastly for things are going so fast that I see the hand of God in all this, the connections with the right persons to help propel the gospel and sometimes I'm amazed at how God works and all i have to say is thank you Lord for enabling and directing His divine messages to reach many souls and may His Will continued to be done. Pastor Bill

thanks too for the materials that has helped made the work move faster and continues to bring understanding of the Bible to all who cherish to learn present truths. To God be the glory and God bless you always.”

From Australia “Just wanted to let you know that your study straightened things out entirely for me - I was so grateful to have it. It also of course accords with Walter Veith's study, but he goes into far more intellectual detail and historical points which I find hard to take in a lot of the time! The one thing that I think sticks out most of all is that the King of the North would of course have to be a very powerful, controlling, wealthy, politically coercive and infiltrating national entity - which sort of knocks France, Turkey etc. out of the ring! I've sent your study to my friend in the Castle Maine church (the one who is a new SDA). The SDAs I'm staying with have told me most members of this church have apparently taken on the Bill Cave version, so to speak, so I'm hoping this friend will be able to shed 'new' light (i.e. the traditional SDA view) back onto their pathway. It's not a large group and she is very good at approaching and dealing with people, so I think she'll do well if she does. Thank you for a very clear and excellent study!

From Nigeria (Sunday keeping pastor) “Bro. Bill, This morning still was reading one of your books. Your books are written very well and what it says is wisdom and written with a prophetic edge with truth that is from the Bible. I pray you stay safe during this current very difficult time with Covid 19.”

From America “Thank you for your clarity and you are absolutely right about speculation; of which I am guilty, thank you for a most interesting discussion that has shone a logical perspective on the current situation, it has lifted me up; so that I have a renewed strength to carry on.”

Upcoming Appointments

The appointment to go to Deer Park Church near Spokane was cancelled. The trip to Chino Valley and Australia has also been postponed. The trip to Portland in June could very well happen. We will update you on the Portland, OR in the next newsletter.

May the Lord be with you,

Pastor Bill
