

Dear Friend,

July 2025 Newsletter

I received a fascinating proposal recently. A young man, somewhere in his mid to late thirties, made me an offer that I almost couldn't refuse. This gentleman owns a company worth billions of dollars. He is of Italian descent and has offices in New York, Rome, and South Florida. He loves the books 'Secret Terrorists', 'Enemy Unmasked', and 'Covid 19: The Rest of the Story'. He wants to establish an arm of his company dedicated exclusively to printing my books into multiple languages. He wants to combine my books into one large book and do some editing of the books; taking out some material and adding other content. He offered me a nice amount of money to be the head of this arm of his company and to travel the world speaking of the content in my books. As one of my confidants said to me, "This almost sounds too good to be true." And, this was indeed the case!! The final prerequisite in this offer was that all religious content had to be removed; no mention was to be made of religious ideas or Biblical content.

Leave out Revelation 13?? Leave out Revelation 17?? Leave out Ellen White comments as they relate to the mark of the beast and a Sunday Law?? Regardless of the price, regardless of the multiple perks offered; the Biblical content COULD NEVER be omitted! In my thinking, that is the crux of the books I've written. To remove the prophetic content would be like removing the foundation for a house. To remove these prophetic utterances would be to remove the engine from a car!! I could never agree to such a thing regardless of the wealthy and perks!! To do anything besides this would be to embrace mammon over the Lord and this would never happen. The warning of Jesus rang loud in my ears, "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon." Matthew 6:24

This offered concept of dedicating myself to solely content on the Jesuits drive to take over the world was also troubling to me! Is this the heart of Truth Triumphant Ministries and the mission of this ministry? Surely, this is part of the work we have been called to do and surely, this is part of the 3<sup>rd</sup> angel's message of exposing the heinous works of the Jesuits and the papal power! But, is this the sole message we have been called to give? Is this the sole reason for the existence of this ministry?? Never!! "These three angels represent the people who accept the light of God's messages, and go forth as His agents to sound the warning throughout the length and breadth of the earth. Christ declared to His followers, "Ye are the light of the world." To every soul that accepts Jesus, the cross of Calvary speaks: "Behold the worth of the soul. 'Go ye into all the world, and preach the Gospel to every creature.'" Nothing is to be permitted to hinder this work. It is the all-important work for this time, and it is to be far-reaching as eternity. "{ST, January 25, 1910 par. 5} "Prophecy declares that the first angel would make his announcement to "every nation, and kindred, and tongue, and people." The warning of the third angel, which forms a part of the same threefold message, and is the message for this time, will be no less widespread. The banner on which is inscribed, "The commandments of God and the faith of Jesus," is to be raised aloft. The power of the first and second messages is to be intensified in the third. It is represented in the prophecy as being proclaimed with a loud voice by an angel

flying in the midst of heaven, and it will command the attention of the world.” {ST, January 25, 1910 par. 12}

All Three Angel’s messages must be sounded through the length and breadth of the earth; not just a part of the third!! All the Spirit filled books on these messages must be sent into the earth. All of Ellen White’s classics; from the greatest of them all— ‘The Great Controversy’, to ‘Desire of Ages’, and the rest of the conflict of the ages books, t Ministry of Healing, Sanctified Life, Steps to Christ, Mt. of Blessing, etc, etc, etc. To think for one moment that the mission God as given us is to share the Secret Terrorist, Enemy Unmasked, Covid 19: The Rest of the Story, etc. when IT IS only a portion of the wonderful work God has placed IN OUR HANDS TO SHARE WITH THE WORLD!!! No money in the world could lure me away from the matchless and marvelous privilege that God has given to me!! To ship SOP books, along with KJV Bibles, my books, and other materials all around the world is truly the greatest delight and highest of privileges!

From Eastern Zambia “I received a parcel of four boxes. Since I became an Adventist, I have never seen anything like this. These materials will push the evangelism work forward exponentially!! I have worked tirelessly for the church, conducted public campaigns, revival week of prayers, camp meetings, youth camps, raised churches from the scratch, went for missionary endeavors in hard unentered areas, working under difficult circumstances, sometimes minus receiving upkeep for months or never, let me just say working is a self-sponsored way minus financial support from the conference, oppressed and abused from right, left and center, yet I never fought against the leadership, though I had a lot of questions concerning the general conference organization. All I did was to take it to the Lord in prayer and God has answered my prayer through Truth Triumphant Ministries. God has shown me through your sermons on YouTube that the General Conference Organization currently is not working for God but for Vatican. And the conference leadership here knows that my eyes have been opened looking at the material I am distributing hence they are trying to lure me with favors but too late coz I am no longer a slave of the General Conference of the SDA Organization as registered by the United Nations. And as long as God gives me life, I will expose the harlotry of the General Conference leadership without fear or favor, and may God help me.”

From Edward “There is a good folk that has been doing a wonderful work in Sudan. He is Ishmael Rashid 70. Before I continue with his story, I would like to let you know that as of today, 5,000 sermons I was burning for the past several days have gone. It makes me feel relieved before God and before you PB to see touching messages reaching to the poorest in spirit that are bound for the Kingdom of God. These sermons are the net that is being cast over Africa and right at the end of time, this amazing net will have caught fishes ready for the great harvest. I do not cease to burn more. My next target is all new sermons I downloaded from the YouTube for SDAs. There are 4 mainstream churches that requested PBs sermons urgently for some elders have decided to leave the mainstream but they want to leave a great warning from your revealing series. This door you have opened PB will keep going until the end of time. Now back to our story. Ishmael Rashid lived in Morocco and while he lived there, he worked as a plumber for His

living. One day he was given a job to do in South Sudan as a contract for the company he was working for. He finally was moved to Sudan and began working. One good day. He was approached by a lady to fix some rotten pipes in her home. He was glad to do the private job. While he was, this lady was in the middle of ending Romans series. Ishmael heard the word and turned to see the man talking. He stopped what he was doing and for some time he got so moved and attracted to some amazing new truths he was getting. The lady noticed Ishmael's interest and asked him if he was interested. Ishmael was glad to agree and did not know how to have the man talk to him. The woman, who is an Adventist and has a home church invited him to attend a Sabbath worship with them where he shall enjoy more sermons by the American. Ishmael was so happy and since his first Sabbath he listened and has continued to listen to his old age. He needed his own DVDs and sharing the DVDs was hard as the lady had limited number which she could not give away. Charles was later contacted to let me about Ishmael. I was thrilled to send him powerpack series and later with more DVDs. Today this folk has settled in Sudan and has a home church where he is sharing the messages with anybody whom he invites. He told Charles that ever since he met the American, all his wrong ideas about God and the Bible have gone. He has now found a new faith he is building until his last breath. The net continues to catch more.”

Was recently on a you tube channel called Advent Media Connect. Here was one response, “Hi Pastor Bill, I'm sorry for this delayed response. I have been extremely busy, working while it is still day, engaging in consistent literature evangelism, and teaching the Health Reform message to the world. Suffice it to say, Glory be to God, you nailed that interview with Pastor James from Advent Media Connect! "The Reformation did not, as many suppose, end with Luther. It is to be continued to the close of this world's history." (Great Controversy, Page 148) The work is great, but the laborers are indeed few! I am praying for the Lord to bless those of us who are doing the work of consistent literature evangelism with more financial resources so that thousands will be converted in a day! A victorious work to you, your family, and the Truth Triumphant Ministries. Yours in finishing the work,”

From Kenya “I write this letter PB as an update and testimony of the work the Lord has placed in my hands in these final moments of earth’s history. My heart is both burdened and encouraged. Burdened, because I see a deep spiritual crisis unfolding within our beloved Seventh-day Adventist Church—divisions, confusion, and a slow but sure departure from the pillars of our faith. Yet I am encouraged because God is still opening doors for the truth to be shared, and His faithful remnant are still hungering and thirsting after righteousness. It is painful to observe that many in the church have been deliberately kept from the light contained in the inspired writings of the Spirit of Prophecy. Books that were meant to feed and nurture the flock—Steps to Christ, The Great Controversy, Desire of Ages, Patriarchs and Prophets, and others—have been sidelined or ignored. New methods and teachings have crept in, subtly replacing the foundation of truth, leading to confusion and spiritual dryness. Sadly, this opposition is not always open or declared, but rather, it works through doubt and discouragement from those who should be encouraging the people to study and understand these heaven-sent messages. Many among SDA members PB have been trained to depend heavily on pastoral approval, and thus when a warning voice is raised, it is often silenced under the assumption that our leaders always speak for God. But not all advice, even from religious leaders, is godly if it

contradicts the Bible and the testimonies. We are told, "To every soul will come the searching test: Shall I obey God rather than men? The decisive hour is even now at hand. Are our feet planted on the rock of God's immutable word? Are we prepared to stand firm in defense of the commandments of God and the faith of Jesus? GC 593.2 Two dangerous issues are gaining momentum in our midst: the push for women's ordination, and the diminishing focus and misrepresentation of the Three Angels' Messages. These are not small matters—they strike at the very heart of our prophetic identity and end-time mission. These apostasies are laying the groundwork for further compromise, and unless addressed with love, firmness, and truth, many more will be swept away. In response to this, I have committed myself, under God's guidance and protection, to move the truth-filled literature to every willing heart. I have received calls from churches and individuals longing for these books, and by God's grace, I have not turned any away. With prayer and perseverance, I distribute these books to all who are ready to receive them. Next week, I will be joining a group actively witnessing in a hospital and the surrounding areas in the western region. These faithful brethren are bringing the light of truth to a dark and needy world, and I rejoice to be part of their mission. Additionally, I am engaging in thoughtful and respectful conversations with both Adventists and non-Adventists who are eager to read, examine, and test these messages by the Word of God. The response has been hopeful—many are willing to consider and search the Scriptures for themselves. Opportunities to work for God continue to open, and I am doing my best, empowered by the Holy Spirit, to walk through each one faithfully. The night is far spent; the day is at hand. Now, more than ever, we must work while it is day, for the night cometh when no man can work (John 9:4). I daily pray also for the mission vehicle and Sanitarium that will see us reach out to souls far and wide. Please keep this work in your prayers."
